Plaintiff,

CIVIL ACTION NO. 04-12627 RCL

THE MEDALLION INSURANCE

AGENCIES, INC.,

Defendant

*

DEFENDANT'S STATEMENT OF UNDISPUTED MATERIAL FACTS

Defendant, The Medallion Insurance Agencies, Inc. ("Medallion"), submits this

Statement of Undisputed Material Facts in support of its Motion for Summary Judgment.

- 1. Stephen Caiazzo ("Caiazzo") operated Donna's Pub, Inc. d/b/a Cai's Food & Spirit from approximately 1990-1997 or 1998. Exhibit 1, Deposition of Caiazzo, day one, p. 30.
- 2. Caiazzo operated Jenna's Pub, Inc. d/b/a Scuttlebutts ("Scuttlebutts") from 1998 through September of 2001. Exhibit 1, Deposition of Caiazzo, day one, p. 31.
- 3. Caiazzo, on behalf of Cai's and Scuttlebutts, obtained insurance through Medallion from approximately 1994 2001. Exhibit 2, Affidavit of Jean D'Addario, ¶3.
- Caiazzo obtained an insurance agent's license in the Commonwealth of Massachusetts.
 Exhibit 1, Deposition of Caiazzo, day one, 18-19.

"Disability Policy" Claim

5. Caiazzo claims he had an "Income Disability Package" in effect when he became disabled in August 2001. He said he had this alleged coverage in place for "a good many years", probably between 1995 and 2001 through Medallion - - yet in this case has failed to

- provide any evidence whatsoever it existed. Exhibit 1, Deposition of Caiazzo, day one, pp. 136-142; Exhibit 3, Deposition of Caiazzo, day two, p. 21.
- 6. Caiazzo failed to provide any cancelled checks to reflect he paid for an income disability policy. Exhibit 4, correspondence from counsel.
- 7. Caiazzo claims his income disability policy was part of the package policy financed through Standard Funding but the documentation from Standard Funding does not support this assertion. Exhibit 1, Deposition of Caiazzo, day one, pp. 144-45.
- 8. The financing agreement clearly indicates the types of insurance being financed (LIAB general liability; LLL liquor liability and W/C worker's compensation) and does not indicate that an income disability policy was financed. Exhibit 5, Standard Funding Agreement dated 3/22/01; Exhibit 1, Deposition of Caiazzo, day one, p. 146; Exhibit 3, Deposition of Caiazzo, p. 17.
- 9. Caiazzo has <u>no</u> documentation to support that a disability policy ever existed, or that he made or tried to make any claim under a disability policy with Medallion. Caiazzo's testimony with respect to this purported disability coverage is hopelessly confused, conflicted, and devoid of documentary support. Exhibit 1, Deposition of Caiazzo, pp. 138 162.
- 10. Caiazzo is not able to identify the particular policy which Medallion failed to place, nor is he able to state or identify the extent to which any such policy would have covered his alleged loss of income damages. Exhibit 1, Deposition of Caiazzo, pp. 138 162; Exhibit 3, Deposition of Caiazzo, pp. 9-21; Exhibit 5, Caiazzo's Answers to Interrogatories, Answer No. 8.

- 11. Attorney Collins never saw a disability policy issued to Caiazzo. He investigated whether a disability policy existed upon which to make a claim on behalf of Caiazzo and determined there was not a policy in existence. Exhibit 24, Deposition of Collins, day two, pp. 14-15; 32.
- 12. Caiazzo did have a worker's compensation policy and in fact, made a claim on the worker's compensation policy directly. Exhibit 12, worker's compensation cover letter; Exhibit 26, notice of worker's compensation claim. Caiazzo received a settlement of \$24,000 as a result of the worker's compensation claim. Exhibit 1, Deposition of Caiazzo, pp.165-167.

Property Claim

- In December 2000, Scuttlebutts' insurance was cancelled due to non-payment to the finance company. Exhibit 6, Cancellation Credit.
- 14. Medallion issued Scuttlebutts a quote for rewrite of the package (property and general liability coverage) and liquor liability policies on January 9, 2001. Exhibit 7, Quotations; Exhibit 1, Deposition of Caiazzo, day one, p. 215.
- Caiazzo declined the quote as too expensive and wanted to reduce the premium.
 Exhibit 1, Deposition of Caiazzo, day one, p. 212.
- 16. Caiazzo then operated the bar without any insurance at all during the approximate period between January and March 2001, apparently because of financial problems, because he requested a re-quote after reporting that his receipts were "down dramatically."
 Exhibit 8, Medallion request for re-quote.
- 17. Medallion issued a quotation for Scuttlebutts on or about March 15, 2001, which included

coverage for general liability and liquor liability. Exhibit 9, Quotation (the quotation stated, "As discussed, prefer to pass on property due to fact that applicant has been bare.").

- 18. Caiazzo declined business property coverage. Exhibit 2, Affidavit of Jean D'Addario, ¶8; Exhibit 10, binder; Exhibit 1, Deposition of Caiazzo, day one, p. 224 ("O: And that's because ultimately you wound up purchasing less coverage than what was reflected in Exhibit 12, correct? A: Correct.").
- 19. Scuttlebutts finally secured coverage effective March 22, 2001. Exhibit 10, binder.
- 20. Scuttlebutts financed its insurance through Standard Funding and signed a finance agreement. Exhibit 11, Finance Agreement; Deposition of Caiazzo, day one, p. 225.
- 21. The general liability, liquor liability and worker's compensation policies were sent to Caiazzo, who testified he would read them. Exhibit 12, cover letters enclosing policies and general liability policy reflecting no property coverage; Exhibit 1, Deposition of Caiazzo, p. 129.
- 22. These policies were cancelled for nonpayment by April 27, 2001. Exhibit 13, Cancellation Notice.
- 23. Scuttlebutts operated without coverage until June 15, 2001, when Caiazzo asked to reinstate the policies, and signed a reinstatement warranty covering that period and provided a bank check to cover April, May, and June insurance premiums and to reinstate the coverage for the corporation. Exhibit 14, Reinstatement Warranty and bank check.
- 24. Jenna's Pub, Inc. d/b/a Scuttlebutts ("Scuttlebutts") declared Chapter 11 bankruptcy on May 31, 2001. Exhibit 15, Bankruptcy Docket Report.

- 25. The Bankruptcy Court converted the claim to Chapter 7. Exhibit 15, Bankruptcy Docket Report.
- 26. Scuttlebutts filed a schedule of its personal property as part of the bankruptcy proceeding, which was signed by Caiazzo under the pains and penalties of perjury. Exhibit 16, Personal Property Schedule.
- 27. Caiazzo seeks to recover in this suit for the personal property sold as a result of the bankruptcy. Exhibit 1, Deposition of Caiazzo, p. 42 46; Exhibit 17, referenced deposition exhibits 3, 23, 24, 25A and 25 B.
- 28. Additional personal property claimed in this suit was not listed as assets of Scuttlebutts in the bankruptcy. Exhibit 17.
- 29. The Statement of Financial Affairs filed in Bankruptcy Court by Caiazzo under the pains and penalties of perjury did not include this loss or claim as an asset of Scuttlebutts.
 Exhibit 18, Statement of Financial Affairs.
- 30. The Statement of Financial Affairs was never revised to reflect this lawsuit. Exhibit 15, Bankruptcy Docket Report.
- 31. The bankruptcy matter was closed on May 16, 2005. Exhibit 15, Bankruptcy Docket Report.
- During the pendency of the bankruptcy, on July 18, 2001, Essex Superior Court ruled that
 Scuttlebutts breached its lease with Salem Laffayette. Exhibit 19, Docket Report; Exhibit
 1, Deposition of Caiazzo, day one, p. 195)
- 33. As a result, the sheriff order Caiazzo to vacate the premises. Exhibit 1, Deposition of Caiazzo, day one, pp. 190-191.

- 34. Caiazzo claims certain property left at the location to be picked up at a later date, was stolen. Exhibit 1, Deposition of Caiazzo, pp. 192 194.
- 35. Caiazzo, in his individual capacity, makes a claim for this property taken from Scuttlebutts. Exhibit 1, Deposition of Caiazzo, day one, p. 198.
- 36. Caiazzo's personal property would not be covered under a policy of insurance issued to Jenna's Pub, Inc. d/b/a Scuttlebutts. (See Deposition of Caiazzo, day 1, pp. 198-99, Exhibit 1).
- 37. Attorney Collins investigated whether a policy existed upon which to make a property loss claim and concluded there was no policy upon which to make a claim. Collins investigated the merits of the property loss claim and determined assets claimed as part of Caiazzo's loss were included in the bankruptcy accounting as assets of Scuttlebutts.

 Exhibit 24, Deposition of Collins, day two, pp. 20-25.
- 38. Collins investigated whether Caiazzo could personally recover for the property loss and determined he did not have a good faith basis to make a claim for the property loss on behalf of Caiazzo. Exhibit 24, Deposition of Collins, day two, p. 28; 32.

Liability Claim

- 39. In 1998, an individual named Joseph Cuttichia sued a corporation known as Donna's Pub Inc. d/b/a Cai's Food & Spirits (hereinafter, "Cai's"), in the Malden District Court.

 Cuttichia alleged he sustained personal injuries on or about September 13, 1996 as a result of an altercation at Cai's. Exhibit 20, Cuttichia Complaint.
- 40. Service was made in hand at the corporate business address of Cai's. Exhibit 20.
- 41. Cai's defaulted, damages were assessed, judgment entered, and an execution issued.

- Exhibit 21, Court Orders.
- 42. Cuttichia later filed suit against Caiazzo, individually, in the Essex Superior Court, to pierce the corporate veil and enforce the underlying judgment. Exhibit 22, Complaint.
- 43. Once again, Caiazzo failed to appear and default judgment was entered against Caiazzo in his individual capacity. Exhibit 22, Court Orders. In her December, 2002 order on the default judgment, Judge Kottmyer specifically found that Mr. Caiazzo did not appear although notices were given. *Id*.
- 44. Essex Superior Court issued an execution against Caiazzo in the amount of approximately \$41,000. Exhibit 22. In connection therewith, Cuttichia obtained a lien against Caizzo's real property.
- 45. In April, 2003, Caiazzo agreed to pay Cuttichia \$35,000 from the sale of his encumbered property and at that time sought reimbursement from his insurance carrier. Exhibit 23.
- Caiazzo, through his attorney, first reported the Cuttichia matter to Medallion in
 December 2002. Exhibit 24, Deposition of Attorney Thomas Collins, pp. 41 44.
- Caiazzo lacks any documentation to support his allegation that he reported the claim to
 Medallion in approximately 1998. Exhibit 1, Deposition of Caiazzo, day one, pp. 59-61;
 66.
- 48. Caiazzo initially claimed he retained a copy of the letter he allegedly forwarded to Medallion and produced it. Then, upon examination of his document production suggested his former attorney retained a copy. Exhibit 1, Deposition of Caiazzo, day one, 59 67.
- 49. This also proved to be untrue following a request for production of documents from

- Caiazzo's former attorney, Thomas Collins, and the deposition of Thomas Collins. Exhibit 24, Deposition of Collins, pp. 40-41.
- 50. Caiazzo claims he did not receive any further notices of the two lawsuits, defaults and judgments because he no longer resided where the notices were being served as he and his wife were divorcing. (See Deposition of Caiazzo, Exhibit 1, pp. 87-88).
- 51. When Caiazzo first reported the claim to Medallion, he claimed he had not received prior notice of either action. Exhibit 25, Letter of Thomas Collins. Caiazzo testified he provided this information to Attorney Collins, reviewed this letter before it was sent, and that the letter was accurate. Exhibit 1, Deposition of Caizzo, p 83.
- After identifying the company that insured Cai's in 1996, Medallion promptly submitted a Notice of Occurrence to Pacific Insurance Company ("Pacific"). Exhibit 2, Affidavit of Jean D'Addario, ¶13.
- Pacific denied the claim because the incident did not arise out of the selling or furnishing of alcohol and was therefore not covered under the policy. Pacific reserved its rights relative to the late notice of the claim. Exhibit 26, Pacific denial.
- 54. Upon receiving the denial, Attorney Collins determined he did not have a good faith basis to pursue coverage for the loss. Exhibit 24, Deposition of Collins, pp. 38-39.

Who was the owner of the Blue Parrot, do you
2
         know?
3
        It was a Joe Bocelli.
    Q. And for what period of time in 2002 did you
         work at the Blue Parrot?
    A. I believe it was maybe February -- I'm sorry.
         Probably November -- November to January
         2002.
9
        So November '01, right?
10
        Yes.
11
        To February '02?
12
         Uh-huh.

23
         for the record, obviously I'm going to be

Case 1:04-cv-12627-RCL -Document 24-2 just say so. If you'd like me to rephrase, please just say so. If you want to take a break at any time, you're free to do that. And let me know if anything is unclear to you. What I'm trying to do here is ask questions that are clear, that we can get a clear answer to --Absolutely. Understood. -- so that the written record is clear. 10 Now, what were your job duties and 11 responsibilities as the coordinator at the Blue Parrot? 12 13 Well, basically, Mr. Bocelli contacted me 14 based on my history. And he wanted me to get 15 involved in ownership, combined ownership of 16 the restaurant and to build it. It was still 17 under construction, to handle that part and 18 to eventually be co-owner with him. 19 Q. And so what became of that? 20 A. Opened up the restaurant, and it wasn't 21 exactly the way we had discussed. He had his 22 underage children working there. He had his 23 wife working there. He had another manager 24 that was -- didn't understand basically the 25 same philosophy we were both agreeable on.

	A.	No, no. He's aware of what happened. And no
2		one's been able to find him. He's changed
3		the corporation name I think about three or
4		four times, sold all the assets. And when I
5		found out about it, that's when we decided to
6		.pursue this.
7	Q.	And what's the nature of your gripe with
8		Mr. Bocelli? Is it because he's got some of
9		your business equipment? Or is it something
10		else, something in addition to that?
11	A.	No. I had no problem other than the fact
12		that I gave all tables, chairs, all
13		restaurant equipment to him based on the fact
14		that this was going to be as part of my
15		ownership. And when that fell through, he
16		kept all the equipment and then sold it at
17		auction without refusing to return it
18		basically is what happened.
19	Q.	And did you ever make any kind of written
20		demand upon him to return the equipment?
21	Α.	Yes, I did.
22	Q.	And did you do that on your own, or did you
23	_	do that through counsel?
24	Α.	I did it on my own.
25	0.	When did you move to Florida?

1		And as a result, I had brought all my people
2		from the last bar to work there and was just
3		very disillusioned, upset the way it was
4		going in the wrong direction.
5	Q.	Did you have any kind of formal agreement
6		with Mr. Bocelli about how your ownership
7		interests would be handled? Was there any
8		kind of written contract between you and
9		Mr. Bocelli?
10	A.	It wasn't written. It was oral.
11	Q.	As a result of you and Mr. Bocelli parting
12		ways, was there any kind of claim or
13		litigation?
14	A.	No, not yet. He had taken all my equipment,
15		tables and chairs, things of that sort. We
16		haven't got to that yet.
17	Q.	Do you anticipate a suit?
18	A.	Absolutely.
19	Q.	Have you retained counsel in connection with
20		the dispute with Mr. Bocelli?
21	Α.	No, not yet.
22	Q.	Do you know if Mr. Bocelli has?
23	A.	I don't know that either.
24	Q.	Have there been any kind of written claims,

correspondence going back and forth?

10		What did that involve when you were working	
11		there seven days a week?	
12	A.	Just to help him coordinate the building, the	
13 .		building of their supposedly sports bar, to	
14		get it open and to be the coordinator.	
15		Basically what he did was he was looking to	
16		get my I had a very big following, and he	
17		was looking to use me to build the place up	
18		to get it off the ground.	
19	Q.	And what about the Brick House? What were	
20		you actually doing there during those seven	
21		days a week when you did that for a number of	
22		months?	
23	Α.	Basically the same thing. It was already	
24		just rebuilding a section of his restaurant	
25		that was nonexistent. So he sold that

And then she had found 3 out that this was illegal to do that, you know, one license split down the middle, him collecting rent, him coordinating and buying all of the liquor and then charging you 7 accordingly. And so everyone just kind of 8 ran when they found out that. 9 If I'm understanding this right, at the Brick 10 House operation, there was one big space 11 which he was kind of splitting and this guy 12 was going to be -- but he was proposing to 13 have you run basically a separate business 14 but under his liquor license? 15 It was under his liquor license. There were 16 two rooms. One was a nightclub which he was 17 promoting all these crazy nights. And on the 18 left side apparently for quite a few years 19 prior to that was more of a pizzeria. So 20 that's what we were looking to build up. 21 Come to find out it was too small. It was 22 inappropriate, the facilities. And like I 23 said, we were paying on what we found out was 24 his license which was unacceptable. I mean 25 you couldn't -- so he was collecting money

3	A.	All separate and independent.	
4	Q.	For example, during the period of time when	
5		you were operating Cai's, did you do anything	
6		else for income while you were operating that	
7		place?	
8	A.	No. Collected I don't know, for a couple

10		of the money to build the new bars. So there	
11		was a couple of months there where I	
12		collected that. But other than that, it was	
13		just the money that we had put aside.	
14	Q.	. What are you doing for income currently?	
15	A.	I'm on disability, Social Security	
16		disability.	
17	Q.	And when did you first file a Social Security	
18		disability claim?	
19	A.	Probably 2002.	
20	Q.	And that's your only source of income	
21		currently?	
22	A.	Yes, it is.	
23	Q.	And what's the nature of your disability?

4	Q.	Now, you just said a second ago that you had	
5		a particular following. How would you	
6		describe what that was?	
7	A.	Well, being in business since 1982, I have a	
8		tremendous following, a lot of the athletes,	
9		a lot of the local sport celebrities. And	
10		that was basically how Caiazzo's Playoff Pub	
11		started, with local friends that were playing	
12		with the Bruins and my friends with the	
13		Patriots and so on and so forth. And it just	
14		became such a big entity that people traveled	
15		from bar to bar. And that was it. Supported	
16		wherever I went.	
17	Q.	Now, so we've talked about Caiazzo's Playoff	
18		Pub, Cai's Food & Spirits, Scuttlebutt's, the	
19		Blue Parrot, the Brick House. Have you ever	
20		been involved with either operating or owning	
21		any other establishment?	
22	A.	No.	
23	Q.	And any of the places that we've talked

knee replacement, but I can't do that because
2
        I got my knee infected on the original

         operation in '72 in Minnesota. On a
         cartilage -- a simple cartilage procedure, it
         got infected. That's it. Just bone on home
         and arthritis throughout.
        Have you ever -- have you explored any kind
8
         of employment possibilities since you've
9
         moved to Florida?
10
        No, because I can't stand for a period of

         time. I can't carry any extra weight. And
12
         to perform -- the doctors that I saw, they're
13
         just surprised that I lasted this long
14
         without the operation. So I'll sit down.
1.5
         This is perfect right here. But if I was
16
         sitting up without the recliner, then I would
17
         have to constantly keep moving. And it
18
         throbs and I have to sit down. I can't stand
19
         up or move very well, so I can't carry
20
         anything or handle that capacity.
21
         Now, when did you first do any insurance
22
         business of any kind with either Mr.
         DeVincentis or Mr. D'Addario?
23
24
        It was probably 1990, maybe 1991. I think it

         was basically when we were building Cai's. I

And what kinds of insurance did you have for 15 the Playoff Pub? 16 A. I don't remember exactly. It was the basic 17 package. That was the first time we were 18 associated with business of any kind. So I 19 was working that, plus working at the 20 Department of Correction at the same time. 21 So it was 24/7, about an hour sleep. So as 22 far as back as I can remember, we had the 23 basic coverage that DeVincentis recommended 24 at that time. 25 Q. And was there ever a period of time where you

11	A.	Correct.

        No, I never said Caiazzo's Playoff Pub. I

20	A.	Yes.	
21	Q.	And you understood that general liability

2	Q.	Okay. And fair to say from having an

5		different businesses over the years, you
6		realize in order to have insurance you have
7		to pay a premium for it, right?
8	A.	I understand that.
9	Q.	Now, is it also fair to say that when you
10		would get the well, you tell me. What
11		would typically be the process that you'd go
12		through when you were getting insurance for -
13		let's take Cai's Food & Spirits. How would
14		that work?
15	A.	John D'Addario would show up, make
16		recommendations as to what type of insurance
17		he felt was necessary based on his
18		experience. And as a result, we would get
19		into negotiations and discuss various options
20		and other variables which included my

- interested in in case of some type of fire or
- 3 unbeknown interruption. And basically by law
- workman's comp package, general liability,
- 5 fire, and the liquor liability.
- 6 Q. Now, I take it that you -- during the period
- 7 of time you were operating Cai's, that you
- 8 had -- you had a home, you had one or more
 - cars. Where did you get the personal
- 10 insurance?

9

19

- 11 A. My personal insurance? Jack D'Addario always
- 12 wanted the car insurance. But we had another
- 13 friend that was handling our personal
 - insurance, the house insurance and the cars.
- 15 Q. And who was that?
- 16 A. He was out of Everett. Leo Barrett Insurance
- 17 Agency.
- 18. Q. And so for what period of time did you do -
 - did you get insurance through the Leo Barrett
- 20 Insurance Agency?
- 21 A. At what time?
- 22 Q. Yes. For what period of time?
- 23 A. We had gone through maybe one other agency
- 24 over the period of time. Green Insurance was
- 25 handling it for a while, then Leo Barrett.

- before. But I'm talking about a claim like
- 2 what you have in your complaint here that an
- 3 insurance agent did something wrong.
- 4 A. I don't remember. Other than the workman's
- 5 comp, I believe that's it. Medallion,
- 6 workman's comp, Legion. Nothing else comes
- 7 to mind right now.
- 8 Q. Well, first of all, what workers' comp claim
- 9 are we talking about?
- 10 A. We're talking about a workman's comp claim at
- 11 . Jenna's Pub, Inc., at Scuttlebutt's.
- 12 Q. And this was an injury that you sustained
- 13 while you were at work?
- 14 A. Correct.
- 15 Q. And when did you have this injury?
- 16 A. The first time I injured it was 2000. The
- 17 second time was in 2001.
- 18 Q. And this is injuries to what? Your knee?
- 19 A. My right knee.

21

- 20 Q. And so are you saying that in connection with
 - either of these workers' comp injuries that
- 22 any insurance agent did anything wrong with
- 23 respect to either the processing of either of
- 24 these workers' comp claims or the handling of
- 25 the workers' comp policy?

- My wife usually handled the autos and things
 of that sort and the house insurance.
- 3 Q. And so Green Insurance came before Barrett?
- A. I believe so.
- Q. So were you getting your personal insurance
- 6 through the Barrett agency from the mid '90s
 - up until the time you closed Scuttlebutt's?
- A. Yes. I think that's a fair assumption,
 - somewhere in that vicinity.
- 10 Q. And so other than Green Insurance, Barrett
- 11 Insurance Agency, and D'Addario/McCarthy/
 - DeVincentis/Medallion, have you ever used any
- 13 other insurance agents?
- 14. A. Nothing really comes to mind. I'm not too
- 15 sure. I can't remember.

- 20 A. Yes. Workman's comp.
- 21 Q. What other insurance agent have you filed a

- 25 Q. Well, I understand you made a comp claim

- A. I was denied when I originally applied to

- 6 collected on it.
- 7 Q. So that, if I understand you correctly, this
- 8 claim that you're talking about now was a
- 9 claim that was ultimately paid by the
- 10 workers' comp insurer which was Legion,
- 11 correct?
- 12 A. Yes, it was.
- 13 Q. So there wasn't any formal claim made against

- 16 A. Yes, there was because he was the agent.
- 17 Q. Okay.

- 18 A. We filed that through D'Addario, Medallion,
 - or DeVincentis. There were at least three or
- 20 four different claims. We always had to go
- 21 through the agent --
- 22 Q. Sure.
- 23 A. -- because the insurance company refused to
- 24 talk to us and negotiate. That's the reason

8 lost consciousness. I don't know. It was

beyond comprehension as the injuries. But I

10 was never notified through the licensing 11

12 anything of that sort. So I was unaware of,

13

number one, this particular account of a

14 so-called incident, nor did I see the

15 specifics regarding his so-called injuries.

16 I want to ask you some questions about what

17

it was he was alleging. I'm not asking you

21

19 Well, that's what I'm saying. I don't know

20 because I never received any documentation

that would verify the extent of his injuries 22 by way of, you know, the proper authorities.

23

Well, do you understand that he was saying he 24 was involved in a fight with another patron

25 of Cai's?

Case 1:04-cv-12627-RCL —Document 24-2 That's what he said. 2 Were you there the day that this fight 3 supposedly happened? 4 Α. I was there seven days a week from eight 5 o'clock in the morning until closing at 2:00. 6 And I don't particularly remember. I saw everything that happened because it wasn't that large of a place. I don't remember anyone getting into a fight that Joe 10 Cuttichia said happened, whether it was 11 inside or outside. And no one ever relayed any information to me by way of the doormen 12 13 that I had situated outside, inside and 14 everything else. So this was new to me at 15 this point. 16 So if I understand correctly, your schedule 17 when you're operating Cai's was -- did you 18 say 8:00 in the morning until 2:00? 19 A. I was there at 8:00 in the morning until two 20 o'clock, 2:30. We had a two o'clock license. 21 Okay. 2:00 a.m., right? 22 2:00 a.m., correct. 23 And as far as you know, then, you were 24 there -- did this fight supposedly happen at 25 night?

59 after -- obviously after the incident, after 2 I don't know whether it was '96, '97 when he finally got around to it. But the letter came to me. And I did what I normally did. I called D'Addario and told him to come down, pick up the letter. And he would at that point submit it to the agency and submit it, go through the procedure procedures to 9 defend the case. 10 Q. Now, do you still have this letter that you 11 got from Cuttichia's lawyer? 12 Yes. Α. 13 And has that been produced in this case? 14 I'm sure it is. 15 ο. Well, I'll tell you what I'm going to do. 16 I'm going to hand you -- and I'm going to 17 represent for the record, I've got two 18 packages of documents here. One consists of 19 roughly 60 pages or so, and the other 20 consists of one page. And I'll represent to 21 you that these are all the documents I've 22 received from your lawyer in this case in 23 terms of your document production. Okay. 24 MR. CHAPMAN: Before I get into 25 these, I'm going to mark these as -- why

The majority of our business took place at 2 night, so I'm assuming that's what he said. 3 I don't believe anything could have happened during the day. But no one -- you know, 5 they've gone unnoticed. 6 But just in terms of what your understanding 0. 7 is now, as you sit hear today, as to what he Я was alleging, do you remember if he was 9 alleging that he got in a fight at nighttime? 10 I believe the document that I saw was that, 11 yes, it did happen at night. 12 And as far as you know, you were there that ο. 13 night? 14 I was there every night. 15 And you don't remember any such fight 16 happening in September of '96, correct? 17 Α. No, I don't. 18 ο. Now, when did you first learn that Mr. 10 Cuttichia was making a claim against you as a 20 result of this supposed fight in September 21 22 A. I believe I received a letter from his 23 attorney regarding the incident. 24 And when did you get that letter? That I don't remember. It had to have been

So you've gone through the entire 7 document production that I've received on 8 your behalf in this case; and it does not q contain the letter that you got from 10 Cuttichia's lawyer, correct? 11 A. Correct. When is the last time you saw this letter? 13 There were follow-up letters all the time. I've just got to focus in on the one letter, 14 15 though. 16 A. The first letter came. I gave it to 17 D'Addario, didn't hear anything. I received 18 another letter from the attorney. I believe 19 I called D'Addario and said, "What's going 20 on? You never submitted it. Why?" And 21 that's when this little roundabout scenario 22 started. At that point, I believe because he 23 didn't answer it or submit it to the 24 insurance company is that the attorney took 25 it through the next process and went to

2	Q.	So your best memory in terms of when you got

7	A.	I have no idea when I received it. I don't

9		And I remember a second letter. And I	
10		remember a third. And I can't give you an

13	Q.	How many different letters do you remember

15	A.	It was probably about a minimum of two, a

19	Q.	Excluding.	
20	A.	Excluding the court probably two, maybe

9		within a matter of months after that? Was it	
10		a year after that? What's your best memory	
11		as to when you got it?	
12	A.	I don't recall because I don't remember,	
13		number one, the incident; number two, when I	
14		did get it, it was a simple procedure where I	
15		called up D'Addario, handed it to him and	
16		expected him to follow up as the agent in his

18		happen. So that delayed the process. And	
19		obviously the attorney sent another letter .

21	Q.	Let me stop you, though, because you're kind	
22		of going afield of my question. And if you	
23		start doing that, it's going to take longer.	
24	Α.	No, I understand. But like I told you, I

Now, the two letters that you got from
 2
         Cuttichia's lawyer before the case went into
 3
         suit --
                  MR. CARNAHAN: Objection.
 5
         -- do you have any idea where those are
 6
         today?
                  MR. CARNAHAN: Did you get my

         objection to the form of the question?
                  MR. CHAPMAN: Yes. We can hear you.
10
         The letters when they came in were sent out
11
         to the proper representatives, that being
12
         John D'Addario. And they could be -- he
         could have them. The insurance company could

         have them. But they never responded, so I
15
         doubt that. I don't really know. They could
16
         be anywhere.
17
         Well, you said a few moments ago that you
18
         still had the letter and you had seen it
19
         before -- sometime before today. So what I'm
20
         trying to find out is when is the last time
         you saw either of these two letters that you
21
22
         got -- maybe Mr. Carnahan's objection is well

The second letter was a follow up 10 of either -- oh, it specifically included the 11 fact that because there was no response, they were going to take additional steps. 13 Okay. And go into court? 14 Correct. 15 Q. Now, when is the last time you saw either of 16 these letters? A. It could have been with the other attorney 17 18 that had filed the paperwork with Medallion 19 and the court and everything associated with Cuttichia. It could have been the paperwork 20 21 that was filed afterwards. It could have 22 been --23 Q. Can I stop you there again. 24

71 not notified. And that's what eventually 2 turned out to be the lack of cooperation 3 between Joe DeVincentis, John D'Addario, Jean D'Addario, and the inappropriate way of them not getting back to me and informing me as my agent as to why certain things happened and the money being paid out. 8 Let's back up now. ο. Uh-huh. Α. 10 Mr. Collins was representing you and 11 Scuttlebutt's -- generally, with regard to 12 the operation of Scuttlebutt's back in 1998, 13 correct? 14 Correct. Α. 15 And it was fair to say within -- generally 16 within that time period that you got your 17 first notice of the Cuttichia claim, correct? From the attorney, is that the question? 18 Α. 19 Q. Right. 20 A. I received notice from the attorney sometime 21 after '96 when this supposedly happened, the 22 incident. 23 Right, Okav. 24 The reason why I know that is because the 25 date was on it as to when it supposedly

Filed 03/03/2006 Page 19 of 28 I believe after I spoke with D'Addario and 2 got no response, spoke to Joe DeVincentis. 3 spoke to Jean DeVincentis, got no satisfaction. When I saw the lien filed against my property without me knowing 6 because I never signed any documentation or any certified letters or being served or 8 anything, a good period of time elapsed before I finally realized that happened. And 10 at that point, I tried to rectify it and say, 11 "Why wasn't I notified? Why was this claim 12 paid? Why did anything not happen on this 13 case and I was not notified?" 14 . As a result of seeing the paperwork which eventually determined the lack of 15 16 injury that occurred to Mr. Cuttichia as 17 opposed to what he initially said, I believe 18 Mr. Collins submitted a letter to Mr. 19 DeVincentis and also spoke to him regarding 20 how the possibility ever existed that someone 21 would pay \$45,000 out, would allow \$45,000 to 22 be paid without defending the case and 23 looking into a near -- the hospital records 24 proving that there were no injuries and he

happened. As to when I received it, I can't 2 remember because I worked day and night, and 3 I just handed over to the proper procedure. 4 But you've already said that somewhere along the line you talked about the notice -- well, 6 strike that. 7 Somewhere along the line, Mr. В Collins was retained to represent you in 9 connection with the claim by Cuttichia 10 against Caiazzo and --11 He wasn't represented or retained to handle 12 Joe Cuttichia. This was a simple procedure 13 that has happened four or five times previous 14 in my other restaurants when someone alleges 15 something and there's specific medical 16 evidence that is provided. And I've sat in 17 other downtown Boston firms representing me 18 and arguing that point. And eventually the 19 people didn't get any money because of lack 20 of evidence. This did not occur in this. So 21 I performed what I normally did based on a 22 so-called injury, gave it to my 23 representative who in turn is supposed to 24 handle it and defend this case, none of which 25 was ever told to me.

Document 24-2 Let me ask it this way: You got a letter from a lawyer that reflected that Cuttichia 3 was going to make a claim against you. You're saying in this case here that you should have had insurance for the claim against you by Cuttichia. Okay. Here's my question: Was it part of В Mr. Collins' job to chase any insurance 9 coverage that might have been available to 10 you for the liability claim against you by 11 Cuttichia? A. Mr. Collins didn't know anything about 12 13 chasing anybody until I brought this to his 14 attention because of the lack of 15 correspondence from Joe DeVincentis, Mr. and Mrs. D'Addario, and Medallion. And when I 17 received all the mail that was sent to my 18 wife's house and she was served and was 19 signing my name that she received it, she 20 held onto all the mail for over a year. So 21 as a result, there was no way of Mr. Collins 22 going to court and properly representing me 23 in the court case. Do you see what I mean? 24 So this thing went on for ... 25 Okay. Whenever -- well, let me try something

from the Plaintiff's attorney in or about

         1998." Do you see that?
         Correct.
         What's your basis in the answers for saying
 5
         that you got the letter in 1998?
 6
         It was approximately a couple years
         afterwards because of the time -- the time
         period. I remember receiving -- we were up
         at Scuttlebutt's building it at that point.
10
         And I remember getting -- or handing a letter
11
         to Jack D'Addario and then calling him again
12
         and asking him why he didn't do anything with
13
         it. So it was all within that time period,
         you know, that 1998 carried over from '97.
15
         It was right around that period of time.
16
         And where was the letter addressed to? To
17
         your home, or was it --
18
     A. I don't remember. The first one came to --
19
         the first one came to Cai's on Exchange
20
21
         And was Cai's still operating at that time?
22
         Yes, it was.
2.3
        And when did Cai's last do business on
24
         Exchange Street? If you can give me the
25
         month and date, if you know.
```

Document 24-2 Case 1:04-cv-12627-RCL A. It was sometime in '98, also. Q. And just so I'm clear, what is the first thing you did with this letter you got from Cuttichia's attorney? A. Like I told you before, called D'Addario. Q. You called D'Addario? Called D'Addario. Q. And at Medallion? A. Oh, I don't know where he was or what he was 9 10 doing. I had his cell phone number. I had 11 his work number. I mean I spoke to him on 12 his cell phone and at work on numerous 13 occasions. 14 Q. And what number did you call him from? Did 15 you use your cell phone or --16 A. I have no idea whether I called from the bar, 17 from my cell phone. I can't recall that far 18 back. 19 Q. And what did you say to Mr. D'Addario in this 20 first phone call you had with him about this 21 letter you had gotten? 22 A. It was very simple. "Take care of it." 23 Q. What did he say to you? 24 "I will." 25 Q. Did he ask you to do anything? Did he ask

2		down later." And that's what he did on a
3		regular basis.
4	Ω.	And did he stop down later?
5	A.	Yes, he did.
6	Q.	And stopped down where? Where are we talking
7		about now? To Cai's?
8	A.	Cai's on Exchange Street.
9	Q.	And was he alone?
10	A.	Yes.
11	Q.	And what was said between the two of you at
12		that time once he had stopped down on
13		Exchange Street?
14	A.	Like I just told you, very simple, "I'll take
15		care of it." That was it. I mean it wasn't
16		a long detailed question and answer period if
17		that's what you're asking because that never
18		happened. A letter came in, someone alleged
19		something, and he was to take care of it.
20	Q.	Right. And did you give him the letter at
21		that time?
22	Α.	Yes.
23	Q.	Did you give him the original or a copy?
24	A.	I don't remember.
25	Q.	It could have been either?

1		you any questions?	78
2	A.	He never really mentioned anything. When a	
3		situation occurred like that, I just passed	
4		the paperwork on to the people who were	
5		responsible and that was it.	
6	Q.	Did he ask you to send a copy of the letter?	
7	A.	Send a copy of the letter to who? I had just	
8		handed it to him.	
9	Q.	Oh, you handed okay. Now I'm confused.	
10		The question was, what's the first thing you	
11		did when you got the letter? You said you	
12		called D'Addario.	
13	A.	Called D'Addario. I handed him the letter at	
14		the bar because he spent enough time down	
15		there.	
16	Q.	Okay. I'm trying to focus in on the phone	
17		call now. Okay? The first thing you did	
18		when the got the letter is you called	
19		D'Addario?	
20	A.	Correct.	
21	Q.	And you say, in essence, "I've got a letter.	
22		Take care of it." He says, "Okay." Did he	
23		ask you to send him a copy of the letter?	
24	A.	I don't believe so. Usually when I call Jack	
25		and let him know about something of that

1	A.	It could have been. I don't really recall.
2	Q.	Did you have a copy machine there at Cai's?
3	A.	I believe I did.
4	Q.	Now, once you gave Mr. D'Addario the letter,
5		what's the next thing that happened with
6		regard to this Cuttichia claim?
7	Α.	Nothing really happened until such time we
8		received another letter.
9	Q.	Okay. How much time passed until you got the
10		second letter?
11	Α.	That I don't know. As I explained on an
12		earlier question, I don't remember that. The
13		time period lapsed because D'Addario didn't
14		properly submit it initially, so the
15		attorney
16	Q.	Just to you get the first letter. You

19	A.	Correct.
20	Q.	Can you give me a range or a ball park as to
21		how much time passed until the second letter
22		came in?
23	Α.	That I don't know. I worked seven days and
24		seven nights. The least of my concerns,
25		believe me, was a letter coming in from an

Document 24-2 Case 1:04-cv-12627-RCL attorney when the agent's responsibility is to handle that type of stuff. My 3 responsibility was not at that point. I relieved myself once I passed it on to him. 5 Q. What do you do when you get the second 6 letter? A. What do I do? Get a little upset and ask him 7 8 why he didn't take care of it. Q, Q. Where did you receive the second letter? 10 That I don't remember. 11 And as a result of getting the second letter, did you call D'Addario or did you meet with 12 13 him or what --14 A. I have no idea. Like I said, Jack was at the 15 bar fairly frequently to not only spend 16 personal time there but also to keep me 17 updated or whatever. You know, he had to do 18 new policies. Just spent a lot of time 19 there. So a lot of times he was on premise. Q. Well, do you have any specific memory of what 20 21 you did with the second letter vis-à-vis Mr. 22 D'Addario? 23 No. 24 Q. And you say in the answers to interrogatories 25 that you got the letter in 1998. Was there

3	Α.	Correct.	
4	Q.	Did you review this letter before it was

6	A.	Yes, I did.	
7	Q.	And so you approved the letter?	
8	Α.	Well, I gave him all the information. He put

10	Q.	So the letter is accurate, in other words,

12	Α.	Yes, absolutely.

18		know of any written notice on your behalf to	
19		DeVincentis about the Cuttichia claim sent	
20		prior to this Exhibit 2A?	
21	Α.	I don't know if anyone had called an

24		them you had an accident or there was an	
25		accident or the house caught on fire, and the

4	A.	I don't remember receiving anything from the	
5		insurance company regarding Cuttichia at that	
6		point. From that point on, Cai's was closed.	
7		That was it. We were living in Lynnfield.	
8		So I'm sure that someone would have been able

17		MR. CARNAHAN: All right.	
18		(Document marked as Caiazzo

        agent takes it from there. So I wouldn't
2
         have any reason whatsoever to put anything in
        writing submitting something as simple as to
         what happened in the previous ten years of me
        being in business. This is just a normal
         procedure, you know what I'm saying? It's
         just -- in other words, my responsibility is
         not to document, write down and submit it in
 9
         writing to the agent. That's what the agent
10
         is there for.
11
    Q. In the typical situation I might agree with
12
         you. But in this situation what we're
         talking about is a claim that you had
13
14
         received '96, '97, '98?
15
        Uh-huh.
16
    Q. And by the time this letter was written,
17
         there were judgments against you and the
18
         corporation?
19
    A. Correct.
20
    Q. And so it had gone -- you'd agree with me
21
         that it had gone considerably further than
22
         the typical insurance claim, correct?
23
    A. Absolutely.
24
     Q. That's why the question is: Prior to this
25
        May 16, '03 letter, was there ever an

1		occasion where any other written demand was
2		made to DeVincentis or anyone at the
3		DeVincentis agency or Medallion agency?
4	A.	No one realized obviously how far the court
5		proceedings were going until such time as the
6		defaults kept happening. And that was by way
7		of me not being properly made aware of, which
8		is beyond my comprehension because even if
9		the insurance company or the attorney did his
10		job and tried to send me notice, okay, John
11		D'Addario, Jean D'Addario, or even Joe
12		DeVincentis was certainly aware of this case
13		by them being the agent. They knew where I
14		lived, where I worked, and I spoke to Jack
15		D'Addario very frequently. So for me not to
16		be notified of default after default which
17		eventually led to a payment and a lien on my
18		property is what I'm concerned about.
19	Q.	Whose handwriting is that on this Exhibit 2A?
20	A.	(Witness reviews document) That's mine.
21		MR. CHAPMAN: Off the record for a
22		second.

1 (Document marked as Caiazzo 2 Exhibit 2B for identification) 3 Q. So referring you to the document we've now marked as 2B, Mr. Caiazzo, when did you first get this and how did you first get this? 6 A. I believe I received this and all the other default notices all in one lump sum approximately eight to -- eight months to a year after they were sent to my wife's residence. And she held them. And then when 11 I finally realized that I was being sued and 12 they were applying the -- you know, all the 13 necessary defaults and whatever, that's when 14 I called Collins to do something about it. 15 Because I actually thought everything went 16 away. Because this was all the stuff that 17 was mailed to my -- or presented to my wife. 18 So is it your testimony that the service of 19 the complaint and the initial request for 20 default and then the request for default 21 judgment that we have were served at the home 22 that you owned where your wife was then 23 living? Is that your understanding? 24 All the notifications subsequent to the 25 initial -- you know, one letter or two, I

         can't remember exactly. But all the
         important documents regarding court that I
 3
         found out about is by way of those people not
         contacting me at my business or at my
         residence. So they went -- they served or
         mailed or did whatever they had to do to
         where my wife was living. And I never
         received any of those in time to justify it.
         So, therefore, the insurance agency should
10
         have, you know, caught that one and did
11
         something. And I'm surprised that Jack
12
         didn't.
         Well, let's not get too far afield with the
13
14
         question. So I know what you're talking
15
         about, when you refer to your wife's
16
         residence as compared to where you were
17
         living in your last answer, what's the wife's
18
         residence that you're referring to?
19
    A. King Street, 6 King Street. And I forget the
20
         other address.
21
    Q. That was in Rockport, right?
22
         Yes. And I forget the other address. We
23
         stayed for a couple of months.
24
        You're referring to the other --
25
         Where she lived.
```

Document 24-2 Okay. She lived at 6 King Street? I lived with her and my daughter at King Street for a very short time. And that's when I left there. And apparently the service and mailings and whatever were continually sent to King Street. And instead of her -- she was just signing for them. And all she was saying is, "You're in a lot of trouble with this." I says, "Like what?" And she wouldn't explain. And then finally I 10 had to put pressure on her to deliver a bag full of mail that she held, which included most of all these documents that you have now 14 regarding the court decisions. I thought 1.5 everything had gone away. Q. When you moved out of 6 King Street, you went 16 17 to the address on the Rockport/Gloucester 18 line? 19 20 Q. Okay. Where did you next reside after 6 King 21 Street? 22 A. My boat. 23 And where was your boat docked? 24 It was in Salem. 25 What was the name of the boat?

It had to have been somewhere around 2003. I have no idea. This is during the bitter 18 19 divorce proceedings. So you can understand how difficult that was for me or anybody in 20 21 the family to kind of -- but it really was 22 later on in the -- later on during the course 23 of the divorce. 24 Q. Okay. There it is. 15 α. And it's a suit filed against Donna's Pub, 16 Inc., correct? 17 Right, yes. No, I didn't recognize Ronald 18 Dunbar maybe because it was the second 10 attorney. That would be a possibility. 20 But now that you've seen that, do you ο. 21 recognize that to be the summons and 22 complaint that was filed against you in 2.3 Cuttichia's case in the Malden District 24 Court? 25 I didn't receive this. And that's 6 what this is. 8 So would it be fair to say that you had Q, engaged Mr. Collins to get involved in the Cuttichia claim prior to the date of that 10 11 letter? 12 This was part of a stack of letters which I 13 have from the Law Offices of Stephen Whitman 14 that were mailed to King Street, maybe 1.5 Pleasant Street, all of them. Some of which 16 were secured by return request mail that was 17 not signed by me. My wife signed my name. Now that you've seen Exhibit 7, does that
         help you to tell me when relative to the date
         of this letter that you engaged Mr. Collins
         to help you with the Cuttichia claim?
         Well, this letter is dated December 12, 2002.
 6
     ٥.
         Right.
         So I probably received this maybe a month
         before. I mean it was a short time. As soon
 9
         as I received all the mail and went through
10
         it, I immediately went up to Collins. And he
11
         then did what he had to do to write a letter
12
         to Whitman or call him. And then, you know,
13
         Attorney Whitman got in touch with Collins.
14
     Q. So your best testimony is you retained or you
15
         engaged Mr. Collins to help with the
16
         Cuttichia claim sometime in November of '02?
     A. I mean, that's what it looks like.
17
18
                  (Document marked as Caiazzo
19
                  Exhibit 8 for identification)
20
                  MR. CHAPMAN: Dean, No. 8 is an
21
         order of notice.
22
                  MR. CARNAHAN: Okay.
23

And everything associated with the representation of this case -- for all practical purposes, this was out of sight, out of mind. I didn't know if this guy moved to Canada or he looked at it and says, "I 9 wasn't hurt. I can't win this. Why am I 10 going to do it?" It was out of sight, out of 11 12 Do you honestly think that I would 13 allow someone to go unnoticed over at court 14 and have them apply a \$36,000 lien on my 15 property without defending this at all? Document 24-3 Case 1.04-cv-12627-RCL Q. And when did you make out that complaint? Last year sometime. Q. And what's the status of that complaint now with the BBO? 5 A. Well, based on what happened, he was held responsible to handle certain matters which 6 7 he didn't. And as a result, I questioned his validity in getting back to me on a timely basis which eventually turned out to be 9 10 disastrous for me financially because of 11 these -- I'm not saying this was the only 12 one. There was other issues. And that was 13 it. So they looked at it and decided that 14 based on all of the other associations which 15 have no relevance to this or this case here 16 were questioned by me through the BBO. 17 Q. So what's the outcome of your complaint in 18 the BBO against Mr. Collins? 19 Α. On my other cases. They don't have the --20 what I initially filed with the BBO against 21 Tom Collins, okay, none of the paperwork --it was incomplete because I was supposed to .22 23 get another attorney to finish and go after 24 him. That's the way the BBO left it, and 25 that's what we did.

2		liability policy, all these different	
3		policies; and you'd get them and you'd put	
4		them in the filing cabinet?	
5	A.	Right.	
6	Q.	And would you read any of these policies?	
7	A.	Pretty much so, yes.	
8	Q.	Okay. And why would you read them?	
9	A.	Because based on the knowledge of the	
10		insurance industry, there's all kinds of	
11		exclusions that would indicate that most	
12		people who were buying insurance initially to	
13		find out that there would be no necessity to	
14		pay \$3,000 for a particular policy when the	
15		time came. There was going to be an	
16		exclusion on that. And the exclusion rights	
17		and the exclusion clauses were defined	
18		clearly just so everybody knew what to	
19		expect.	
20	Q.	Okay. And so during the course of reading	
21		these different insurance policies, would it	
22		be fair to say that you generally understood	
23		that if you had any claim under any of your	
24		insurance policies, it was important that the	
25		company get notice of the claim quickly?	

~	, G		
1		renewed as soon as possible because the	126
2		checks were sent directly to them. And a lot	
3		of my deposit checks were like some were	
4		\$4,000 and some were \$7,000 which reduced the	
5		monthly payment. Because I think at one	
6		point I said to Jack, "Can we lower the	
7		liquor liability and increase the down	
8		payment?" And then the monthlies were	
9		reduced somewhat. So, yes, I mean everything	
10		was done that way on, you know, the things	
11		that were included on claims, three or four	
12		different claims over a three, four period	
13		were almost ignored. And some of them	
14		weren't even, you know, answered properly.	
15		That's all I asked for was someone just to

19	Q.	When you were operating Cai's Food & Spirits,	
20		was there a particular place you kept your	
21		insurance records?

         The agent is to be notified, not the company.

         No. An agent is the one who handles all
 6
         types of correspondence. I do not -- I never

         Well, let me ask it this way: Do you
12
         understand from reading different insurance
13
         policies that the company needs to get notice
14
         of a claim promptly?
15
     A. Exactly.
     Q. And is that -- would that be a fair statement
16
17
         in terms of whatever kind of insurance policy
18
         we're talking about, whether it be a liquor
19
         liability, general liability, workers' comp,
20
         whatever, correct?
21
        I would think so.
22
        Now, when you were operating Scuttlebutt's,
23
         was it the same situation? You'd receive the
         written policies, and you'd put them
24
25
         somewhere at Scuttlebutt's?
```

Case 1:04-ev-12627-RCL Document 24-3 A. I had them in the file cabinet. 2 Q. So you had -- you also had a file cabinet at Scuttlebutt's in which you'd keep your insurance policy? A. Yes Б Q. And was it the same situation when you were 7 operating Scuttlebutt's, that you'd get the 8 policies either in the mail or by hand q delivery from the agency, you'd look at them, 10 you'd read them over, and then you'd put them 11 in the cabinet? 12 Α. Most likely. 13 Other than -- I mean you've already testified 14 that you talked to Mr. D'Addario on 15 apparently multiple occasions about the 16 Cuttichia claim. Do you have any other 17 evidence or any documents of any kind that 18 would support your testimony that Medallion 19 received notice of the Cuttichia claim at any 20 time before February of '03? 21 A. Any documentation, like I said, I wasn't 22 required to put in writing to anybody about 23 any claim. 24 Q. Okay. So let's see if you can answer that 25 ves or no.

Α. 16 Q. Do you remember her telling you in February 17 of '03 that their records didn't even go back 18 to 1996 and they were going to have to go 19 back and try to find out who the insurance 20 company was in 1996 when Cuttichia's accident 21 supposedly happened? 22 No, not at all. It was quite the contrary Α. 23 that she says, "We're going to find out. 24 It's the first I heard of it." I said. "I 25 gave it to Jack. He said he was going to

130 That would be obviously no. 2 All right. Do you remember talking with Jean 3 D'Addario in February of '03 about the Cuttichia claim? 4 I don't remember discussing anything exactly with her. All I know is every time I called 7 her, there was only a couple of times I spoke я with that woman. And one was that she was 9 going to look into the archives and get back 10 to me. And then I never heard anything. Kept calling and calling and calling. I was 12 put on hold. When I asked for her, they 13 said, "Who's calling?" "Steve Caiazzo." 14 was on hold for half an hour, 35, 40 minutes. Just hung up. Called again, wouldn't answer. 1.5 Called again, "She's not in." She never 17 returned my calls for a long period of time. 18 And then finally she called or I got ahold of 19 her, I forget, or D'Addario called. I forget 20 exactly what was said, but it was similar 21 22 Well, I don't want you to guess. If you 23 don't remember --

And then she did say, "We're going to have to look into the archives." As far as her hearing about it, I don't know. But I don't think I was given that much information on any given conversation with Jean D'Addario. It was 3.0 short and sweet when I was lucky enough to 11 speak with the woman. 12 Do you remember -- well, as you sit here 13 today, do you understand who the different 14 insurance companies were that might have been 15 obligated to cover the Cuttichia claim from 1996? 16 17 Α. No. 18 Do you remember ever having any direct 19 contact of any kind with anyone from 20 Interstate Insurance Company? 21 A. It could have been one of the companies I 22 called. Like I said, I pulled out a lot of 23 the files and started calling people. 24 But I'm asking you again for a specific Q. 25 memory. If you don't-

After Tom Collins wrote this letter justifying the hospital, the patient, you know, the decision from the hospital based on his medical condition when he left there did not add up. So why was this allowed to continue without nobody caring to let me know? And as a result, the \$45,000 was placed in lien on my property. And subsequently a check was paid out of the sale of my personal property to a person named Joe Cuttichia who was never hurt in my bar.

17 And instead of fighting this and 18 defending this -- it could have ended up being \$5,000. Who knows? That's what I 19 20 thought. It was just a quick settlement to 21 get rid of them. I didn't know two, three years down the line that this was going to be 23 a mark on my personal property and then 24 eventually a check sent to this guy. I'm going to ask you a specific insurance

D'Addario didn't notify the 16 insurance company; therefore, you don't have 17 insurance for the Cuttichia claim? Is that 18 what you're saying in this case? 19 No, no. What I'm saying is I wasn't properly 20 notified. I handled my responsibility 21 according to procedure. From that link, it 22 obviously didn't get done from D'Addario to 23 his office or to the insurance company. As a 24 result, during the course of the next two 25 years, three years, I was never notified by

question now. All right? 2 A. Uh-huh. 3 ο. Can you identify any particular insurance policy that you say should have covered the Cuttichia claim? 6 I don't know exactly what company during which time liability was assigned. It is not 8 that specific in the disclosure sheets. It did say on my income disability "Income Disability Package." It did say "Workman's 10 11 Comp Package," "General Liability," and so on and so forth. It did not say anything 12 13 specifically about an injury to a patron in 14 your bar that was not going to be covered or 15 was going to be covered based on the ability to prove it or to disprove it. That's all. 17 It's hard to --18 Q. So if I can distill that answer down to its 19 basic part, is it fair to say you are not 20 able to identify a specific policy that you 21 say should have covered the Cuttichia claim? 22 A. Correct. 23 Okay. Now, if we take a look at Count II of 24 your complaint in Exhibit 1, you're alleging 25 that Medallion failed to provide notice of a

Case 1:04-cv-12627-RCL Document 24-3 137 disability claim. Do you see that? 2 Which one was it? Α. 3 Count II. It starts at the top of the page. (Witness reviews document) Yes. Q. Now, have you ever had a disability insurance policy? Α. Absolutely. 8 And when is -- for what period of time have 9 you had disability insurance? 10 A. I had it at Cai's, and it ran into 11 Scuttlebutt's. Because I specifically asked 12 for that in case I got hurt because I had 13 mortgages on two properties and everything 14 else. 15 Q. Okay. So you're saying you had a disability 16 insurance policy in effect for roughly how 17 many years? 18 A good many years. It probably happened more 19 so at the end of operation of Cai's, probably 20 between, I don't know, anywhere between 1995 21 to 2001 at Scuttlebutt's, somewhere within 22 that vicinity. 23 And so like the other policies, you would 24 receive the disability policy either in the 25 mail or by hand delivery?

1	Q.	Okay. But your testimony is you specifically
2		received a policy or a documentation that
3		told you you had disability coverage?
4	A.	Yes, absolutely.
5	Q.	Okay. And has that been produced in this
б		case?
7	A.	No.
8	Q.	Why not?
9	A.	Well, number one, the document that I had
10		submitted to Tom Collins that we were sitting
11		in his conference room and I noticed that
12		it's gone beyond me. I says, "I'm entitled
13		to this income policy. I forgot about this,
14		and there it is." I said, "Send this" I
15		says, "I need a copy. After you do what you
16		have to do, submit this to D'Addario" or
17		whatever. I says, "Call me back. I need a
18		copy of that."
19		Now, in addition to that, at the end
20		of Scuttlebutt's from the time we had we
21		had filed for bankruptcy. When the lease was
22		broken through Landolphi, they came in and
23		locked the doors. Okay. So my office was
24		locked. All the files were in there when I
25		left. I was notified that I would have to

138 Α. Yes ο. And where did you get this disability policy? Α. From what company? ο. Exactly. 5 From what company did I get --6 Q. Right. 7 Δ I didn't obtain that. I purchased it as part of the package through John D'Addario who in turn dropped off a package of insurance policies, some of which included -- as I read 10 1.1 across it said "Disability Income Package." 12 And it has a figure at the end as to how much 13 it's going to be for the entire quote for the 14 year. 15 All right. So if I understand right, you're 16 saying you got some disability coverage 17 through Mr. D'Addario? 18 Α. Correct. 19 And who was the insurer on your disability 20 coverage? 21 I don't know. 22 Was it always one insurer, or was it 23 multiple?

                  We went in two days later, and the
         landlord had completely trashed the office.
         I have pictures of that. And everything --
 6
         checkbooks, everything was gone. And that
         was part of, you know, the package. I mean I
 8
         have periodical pieces of paper here that I
         had that was left on the floor or on the

Case 1:04-cv-12627-RCL —Document 24-3 141 A. Right. 2 That showed that you had a disability ٥. 3 coverage? 4 Α. Correct. 5 Q. And the original question was why haven't 6 those documents been produced? Okay. So 7 that's what I need the answer to. 8 Okay. The question is -- I did mention to 9 you earlier that Tom Collins had that sheet. 10 It was a cover sheet. It wasn't the actual 11 policy. It was a cover sheet similar to what you have there in that package. What was 13 also said was that I under no circumstances 14 was going into my office believing that 15 someone was going to be allowed to trash that 16 thing and take what they wanted and leave 17 paperwork everywhere, which is exactly what I 18 1.9 Well, I'il tell you that I have better things 20 to do later on. I'm trying to make this 21 easy, streamline it as best I can. 22 A. I understand. 23 Here's Exhibit 2. These are all the 24 documents you've produced in this case. 25 A. Right.

Now, this was a -- well, when the BBO ordered Collins to send your file back, did he do 6 that? 7 Α. Yes. 8 He sent you back some documents anyway, 9 right? 10 Δ Uh-huh. 11 Q. And where are the documents that you got back 12 from Collins currently? 13 The same place where the other ones are, in 14 my garage. 15 ٥. In Florida? 16 Α. Yes. 17 MR. CHAPMAN: Dean, same request. 18 Okav? 19 MR. CARNAHAN: For what 20 specifically? 21 MR. Where are any disability 6 insurance documents currently as far as you 7 know? Я As I said to you earlier, Tom Collins had the sheet. I looked at it, handed it to him, 10 told him to do what he had to do to collect 13 this. That's when his communication with the 12 agency started. Okay. At that point, this 13 is when I found out that he wasn't doing what 14 he was supposed to do. And I called him for 15 three months. He never called back. This 16 was when I filed the claim with the BBO and 17 everything else because I asked him to send 1.8 me the document showing the disability. I 19 had to have the BBO call him and demand that 20 he send me my file. The file did not include that sheet of paper obviously because he knew 21 22 how important it was to me.                    I'm also making a specific request

          for any documents in the Collins file that he

13
         That's usually the way it goes.
         Right. And those payments are called

         premiums, right?
16
         Absolutely.
17
         And did you ever pay any premium payments for

     Q.
         And what was the amount of the monthly

         payment?
22
         I don't know. Like I told you, it was broken
23
         up. The sheets that you have here, if you

         Now, when you first -- how did the subject of

         you and Mr. D'Addario?
12
         My interest and his interest. It was based

         you're the sole -- you're the only owner.

         You're here doing it all the time. Who's

21

23
                  Shortly afterwards he called me and

Q. You're phrasing this in terms of what would
have happened.
A. Yes.
Q. Do you specifically remember taking ---

6 A. Yes, of course. We did it for a good number of years. They didn't handle my insurance

8 one year, now. They handled my insurance 9 every year for a long time.

10 Q. I want to be clear on this, though. Do you

have a specific memory of taking an original application for your disability policy?

13 A. Yes, because the company called me back or
14 called him back and sent me a letter that
15 some type of documentation was needed in
16 order to make sure that the policy was in
17 effect. And I needed -- they needed

documentation of the checks which I provided to D'Addario and copies of my tax returns

20 which I also gave to Mr. D'Addario.

21 Q. And then the checks were your paychecks?

22 A. Paychecks.

23 Q. From the corporation?

24 A. Yes.

25 Q. Now, what type of disability coverage were

Eastwood-Stein Deposition Services & Litigation Support (800) 343-0733 7904914e-e531-409-a020-838967178594

is what it said verbatim across the cover 2 sheet. 3 Do you remember what type of -- do you remember that it only covered you for certain 5 types of disabilities, certain situations in 6 which you were disabled and excluded other 7 situations in which you might be disabled? 8 Well, if you're asking if I sprained an ankle 9 on a Monday and I couldn't work until the 10 following Monday, I don't believe that they 11 would be willing to pay for five days. I 12 think it was an extended period of time. If 13 I was hurt to the point where I was severely 14 hurt or could not perform on a regular basis my regular duties, I think that's when it 15 16 kicked in. I think there was probably a ... Do you remember what the renewability 17 18 provisions were? 19 No. It was never brought to my attention. 20 Just that every year, things were renewed. 21 And do you remember what the monthly benefit 22 was? 23 \$1,500 a week is what the policy was. \$1,500 a week referring to what? 24 25 \$1,500 a week is what the policy was to

Case 1:04-ev-12627-RCL Document 24-3 157 reimburse me for my weekly paycheck from 2 Scuttlebutt's. 3 What was your weekly paycheck from Scuttlebutt's? 5 A. \$1,500 a week. Now, \$100 here, \$200 more 6 there on the machines and stuff. But basically it was right around \$1,500 a week. 8 And that was in my tax return, and that was G in my paychecks. 10 Q. Are you saying that the benefit payment under 11 the policy was the same as your regular 12 weekly income? 13 That's exactly what I asked for. Q. What was the -- and believe me, we don't have 14 15 to go through the whole thing again. I 16 remember what you said about how you wrote 17 the checks. But what was the cost of this 18 insurance? 19 A. I don't remember. 20 Did you ever get a written quote for the 21 disability coverage? 22 A. Yes. 23 ο. And you got that from whom? 24 A. It was on the cover sheets that D'Addario or 25 Medallion sent or he brought by.

159 policy? 2 A. Well, I'm assuming that there was a deductible on that. I just went on the assumption Jack being my friend and handling my business, the insurance business all these years, when I asked him a question, he would give me a direct answer that would directly 8 reflect whether it was worth my purchasing this policy, what that included. 10 Q. Well, I just want to be clear on this. Do you remember how much time had to elapse from 11 12 the time you first became disabled until you 13 were entitled to collect? 14 Α. No. 15 Q. Now, would you get this policy -- you've 16 already testified that you had this policy in 17 effect for approximately six years. Would you get a new policy in the mail every year? 18 A. I didn't say it was six years. I said it 19 20 ranged between -- roughly between 1995 and 21 2001. Now, I know for a fact I had it for a 22 good number of years. I don't know 23 specifically whether it was exactly 1995 or it started in '96 or it started in '94, you 24 25 know what I'm saying? It was a good period

1 Q. Do you know where any of those quotes are 2 currently? Aside from the ones that were produced here, which I don't know some of these companies and their association with what particular insurance was --Well, we've already agreed that Exhibit 2 doesn't contain anything that refers to disability, right? No, we don't know that. Like I said, I don't 10 11 have anything specifically stated -- Personal 12 Injury Disability Policy is what was across 13 here. See how this says \$3,000? 14 Uh-huh. 15 Well, it had the same one that I read across 16 in Tom Collins's office. And I saw it, only 17 it was whatever. It was \$1,000, maybe. It 18 wasn't that much. But the whole package was 19 like \$13,000, \$15,000 sometimes. Maybe it 20 went more. Sometimes it went a little less. 21 Do you remember what the elimination period 22 was on your disability coverage? 23 Α. No. 24 ο. Do you understand that an elimination period 25 is basically a deductible for a disability

2		came in at different levels there.	
3		And basically what he did is when he	
4		showed up with that, there was a delay	
5		because there was a process involved to	
6		expedite this policy for which they needed an	
7		audit. And the audit verbatim according to	
8		Jack D'Addario was that they needed to	
9		justify my weekly paycheck in order to	
10		qualify for this policy.	
11	Q.	Well, in regard to the clarification you just	
12		did about the time of the disability	
13		coverage, was there ever any interruptions to	
14		that coverage? In other words, was it ever	
15		canceled for nonpayment; or did it lapse for

18	Α.	If anything lapsed, it was the entire policy	
19		by way of a letter that was sent and on such	
20		and such a date, they give you twenty days to	
21		procure it. And that was it, and that was	
22		fine. It didn't specifically say, you know,

workman's comp is going to continue." It was
all one package. And I paid it every single
month. And I did get an occasional notice
that said, "Cancellation notice is effective"
in whatever, two, three weeks. And I always
was good about that.

Q. And if I understand your prior clarification
correctly, you're not saying necessarily that

Q. And if I understand your prior clarification correctly, you're not saying necessarily that you had a disability policy in effect at all times between 1995 and 2001; you're saying there was some disability coverage in effect at some time within that period, right?

12 13 No. What I'm saying is when we first 1 4 initially discussed that is when my business 1.5 started really building. That's when it occurred to me and obviously Jack D'Addario 16 17 that I needed this income disability. And at 18 that point, from that point on when he 19 suggested this to me and I said, "That's a 20 good idea; I do need this, along with 21 business interruption insurance," these 22 things carried over from that point. I just 23 didn't say, "Give me coverage for 1996 and 24 we'll forget about it for '97 and '98 and 25 then let's pick it up again in '99."

163 disability? 2 Oh, it happened a couple times like I told 3 you. I was -- on a daily basis, I would get there 7:30, 8:00, 8:30 in the morning, rearrange the kegs for delivery, the beer, 5 the liquor; take down the stage which the bands played on the night before; move tables and chairs. And on two or three occasions, q hurt my knee pretty bad. And it got worse 10 and worse. And the last time was the, 11 quote -- I'll quote the doctor's report --12 that it was the straw that broke the camel's 13 back. And I was unable to work anywhere in 14 the capacity that I did before. 15 Well, I need to know exactly when the first 16 knee injury happened that you say should have 17 been covered under disability coverage. 18 The year 2000, happened 2001 was the more 19 severe one. 2000 was severe. And prior to 20 that maybe around '98. And none of which any 21 claims were put in. 22 0 Why were no claims put in? 23 Because I had hurt my knee and it didn't 24 restrict me from doing what I was doing. I 25 was still playing basketball. I was still

Filed 03/03/2006 Page 15 of 35 152 not that expensive. That was part of my 2 yearly package, my renewal package. It was part of my business decision. It was necessary. ο. So what's your best testimony as to the number of years that you had disability coverage in effect? I would say somewhere between 1995 through 9 2001. And maybe it started earlier, in '93. 10 Okay. Now, during the period of time --11 during those years that you just said, did 12 you ever submit any claims under the 13 disability policy? 14 Α. 1.5 And what is the disability that you're 16 claiming under this disability coverage that 17 you say should have been there for you? 18 Well, I completely tore my knee. I could not 19 stand up for periods of time, had to sit at a 20 table and most of the times on the off nights 21 lie down on my couch in the office. I could 22 not perform. I completely tore my ligament 23 in my knee.

Nothing like this last one -- the last two. So if I understand you correctly, you're saying you injured your knee in 1998 but there was no disability and, therefore, no 9 disability claim, right? 10 No, I did not say that. 11 Okay. Did you put in a -- when you injured 12 your knee in 1998, did you try filing a 13 disability insurance claim? 14 No. I did not. Α. 15 ο. When you injured your knee in 2000, did you 16 try making a disability insurance claim? 17 No, I did not. 18 What's the specific date in 2000 when you 19 injured your knee? 20 I can't recall exactly. I explained it and 21 brought it to the attention of Jack but never 22 followed through on it because I just worked 23 it out. I went to see the doctor, and that 24 was fine. 25 Okay. But I 16 brought it to Jack's attention. Document 24-3 A. Well, I have no idea. I have no idea. My concern was my properties which were being 3 taken away because of the divorce. The last thing on my mind -- I still had a lot of money left. The last thing on my mind was going through a period of time where I couldn't communicate with D'Addario or DeVincentis or anybody -- those people going through what I was going through in 10 representing myself. So, no, that wasn't a 11 clear-cut important decision immediately 12 based on what I was about to lose. 13 Well, did you have a particular doctor's 14 visit where you learned the significance of 15 the August '01 knee injury? 16 17 Q. And who was your doctor that you were 18 treating for that particular injury? 19 A. I believe Dr. Sweetland. And where does Dr. Sweetland operate out of? 20 21 Salem. 22 Q. Is he at Salem Hospital? 23 No. He's in Salem, Mass. I don't believe 24 he's out of Salem Hospital. I saw him as an 25 orthopedic specialist.

        every single thing that you could imagine.
                 Well, what happened was instead of
         -- we were doing so well at night that I
        didn't need the daytime food business. So we
        had a reduction in water consumption. Okay.
        So there was no lunch. We didn't have to use
10
        any water for that. And we weren't really
         getting busy until 8:30, nine o'clock at
        night. So the reduction in water was
13
        massive. So instead of paying $4,000 every
14
        two or three months, we got a bill for
        $12,000, which was impossible. Instead of it
15
        going down, it went up.
17
                  So the dispute was after I wrote a
18
        check out for 4,000, Mr. Landolphi disputes
19
         this, this is impossible. He never got
20
        back --
21
        Who did you get this big water bill from?
22
        From the landlord. So that's what happened.
        So Landolphi was going back and forth with
24
         Salem Lafayette. And I found out later on --
25
         I saw a document that said the attorney
```

Document 24-3 Case 1:04-cv-12627-RCLrepresenting Salem Lafayette sent him a 2 letter saying, "Look, the water dispute is -we're in dispute of that. Let's settle it. But in the meantime, send a check over." So I just sent a check over for \$5,000, 4,800. "Send over a small amount to keep it going, and we'll discuss it." Landolphi never passed that on to me. As a result, he turned around and 10 wrote back or faxed back to the attorney 11 saying, "I don't want to be bothered with 12 that anymore." And as a result, they used that to go to superior court and said the water bill was not paid. And, therefore, the 15 judge ruled that as the lease break, not that 16 I was very happy. 17 Q. Okay. So your alleged failure to pay the 18 water bill was the grounds for declaring a 19 breach of the lease? 20 A. Correct. 21 Q. And the landlord filed suit against you in 22 the Essex Superior Court on that?

1	Q.	Did you have insurance enforced at all times	~,0

3		Scuttlebutt's stopped operating?	
4	A.	Absolutely, yes. The check was actually paid	
5		in August for the entire month of August.	
6		And we wouldn't have received not received

12		'01, were there ever any problems with any of	
13		your vendors or suppliers during that period?	
14	Α	No. We filed for the bankruptcy in April, I	
15		believe. So that changed the complexion of	
16		instead of your credit signing for the liquor	
17		and everything like that, once you file for

20		was the only thing that changed the operation	
21		of the place.	
22	Q.	And when was it that you filed for	
23		bankruptcy?	
24	A.	April.	
25	Q.	April of '01?

8		And then another attorney come in and	
9		recommended that we file for bankruptcy in	
10		order to hold it up. And one thing led to	
11		another, and it was just one big mess.	
12	Q.	Now, in the months leading up to let's.	
13		take the first from January '01 up until	
14		the time that Scuttlebutt's ceased operating,	
15		how would you describe the financial	
16		condition of the corporation during that	
17		period?	
18	A.	We were doing very well.	
19	Q.	Were you having any kind of financial	
20		problems during that period?	
21	A.	No, not really.	
22	Q.	Did you ever have any issues with regard to	
23		keeping your insurance enforced during that	
24		period?	

A. Never had a problem with that.

1	A.	Correct.	
2	Q.	Well, wouldn't you describe the filing of	
3		bankruptcy relative to the corporation that	
4		operated Scuttlebutt's as a financial problem	
5		during that period?	
6	A.	No. Quite the contrary. We were we	
7		didn't have any financial problems	
8		whatsoever. The only reason we filed for	:
9		bankruptcy was upon suggestion of an attorney	i
10		by saying the only way that we can hold up	I
11		hold Salem Lafayette and work out a deal is	
12		file for bankruptcy. Because it was obvious	
13		to everybody, including the people in the

15		lease. He told it to Jack D'Addario a	
16		hundred times who told me that he was going	
17		to try and get me out of there. He couldn't	
18		believe the lines around and corner and so on	
19		and so forth. So that was	
20	Q.	So the idea with bankruptcy, if I understand	
21		your testimony correctly, was a ploy to	
22		forestall the landlord from trying to get you

24	A.	That's exactly that was the only reason.

        Right.

         couldn't have done this.
    Q. All right. What's your understanding as to
8
         who generated this form, then?

10
        because it certainly wasn't me. And I know
11
         it wasn't -- it couldn't have been the

        caused me to initially call these people

        Okay. I'm sorry.
3
                  MR. CHAPMAN: (To Ms. Florio) Thank
         you. I wasn't quite following that.
        That looked kind of normal, so I was --
        Right. Take a look at the whole thing. And
        I'm representing to you that this is a first
         report that was filed on your behalf for a
9
        workers' comp claim. The question simply is:
10
        Is there any factual information on this form
11
        that is inaccurate?
    A. Well, the average weekly wage says $1,300
13
         here. But I also told you that there was
14
         extra monies on that and it fluctuated. But
15
         I have documentation for that.
16
        Well, is $1,300 accurate or inaccurate?
17
        No. I told you, I had the insurance for
         $1,500. On certain weeks, I wrote checks for
19
         $3,000. And then two weeks later, I wouldn't
20
         write a check. You know what I mean? It was
21
         one of those. $1,300 to $1,500 to $1,700 was
22
         the actual -- it fluctuated that much. Now,
23
        there was other times where the machines did
24
        well and I had more money than that. But,
25
         yes, this is in range.
```

Document 24-3 Q. Okay. 2 A. I'm self-insured. What does that mean? No? 3 Service industry. Everything looks fine. Strained his neck and knee, correct. Δ 5 Manager, I guess that covers it. 6 Q. Okay. So Exhibit 11 is essentially correct 7 with an asterisk about the average weekly 8 wage? q A. Right. 10 Q. What about Exhibit 10? This one reports that 11 you have an average weekly wage of \$1,000. 12 Was that accurate or inaccurate as of January 13 14 A. At the time, \$1,000 could have been accurate 15 based on the position of the corporation at 16 that time seeing we had to pay cash for 17 deliveries as opposed to being 60 days which 18 was enforced because of the bankruptcy. 19 That's probably what that has to do with. So 20 instead of me writing a check for \$1,500, 21 \$2,000, it may have been \$1,000 more 22 frequently than a larger one. 23 And it was as a result of the claim you 24 submitted as reflected in Exhibit 11 that you 25 received the workers' comp payments that you

19	Α.	That I don't remember.	
20	Q.	Okay. And you say, "Medallion negligently	
21		failed to report the claim." When exactly	
22		was it that you told Medallion you wished to

3	Α.	This was not filed by Tom Collins. We turned

7		corporation personally and then later on paid

Q. Okay. And you don't have -- you've never

         seen any documents whereby you are telling

         There's no documents required in putting a

10
         Now, on Paragraph 12 you say you lost
11
         $234,000. Where does that number come from?
1.2
    A. I think it was calculated on the amount of
13
         money that I should have been paid up to that
14
         point from the injury. August 15th injury
15

I don't know. 7 MR. CHAPMAN: We can -- I guess we Я can figure that out with a calculator. 9 MS. FLORIO: Would you like me to 10 get one? 11 MR. CHAPMAN: No. 12 Now I'm going to ask you some questions about 13 Count III. Take a look at Count III. And my 14 question is going to be when was it exactly 1.5 that you lost the personal property that 16 you're talking about in that count? 17 When they assigned -- when they locked the 18 place up, they assigned a keeper which was 19 Harbor Realty. Kelly Landolphi contacted me 20 and said, "In order to get your personal 21 stuff out, you have to contact Harbor Realty; and they will let you in at your 23 convenience." 24 Q. Can I stop you there. When did they -- they 25 locked you out of the Scuttlebutt's?

191 when they intended to lock you out? 2 Α. No. ο. How did you find out that you had been locked 5 I believe someone came to the door. 6 ο. The door where? 7 Scuttlebutt's Α. Q. Okay. Did you go to the door of Scuttlebutt's, or was it someone else? 10 A. No. Someone came to the door, came upstairs 11 and said, "We're the sheriffs, and we have to 12 lock it up." 13 Q. Did this happen while you were there? 14 Α. Yes. 15 Q. Okay. Now, the property -- so this visit by 16 the sheriffs happened in early September '01? 17 Α. Correct. 18 Q. And in Count III, you're claiming a loss of 19 personal property, right? 20 A. Correct. 21 Did you have a homeowner's policy or any 22 other personal insurance that might have 23 covered your personal property at that time? 24 Not that I know of. Α. 25 Did you have a homeowner's policy in effect

Filed 03/03/2006 Page 22 of 35

Α. Correct. 2 ο. When did they put the locks on the door? I don't remember exactly. It was probably right around the 1st of September, somewhere 190

6 Q. And did you know ahead of time they were going to lock you out?

ì

I got a call from Kelly saying that it didn't q go well and I will get back to you. We don't 10 know what the judge did. The judge overruled

11 and changed it from an 11 to a 7.

12 0 When did you find out that the bankruptcy 1.3 case wasn't going so well? Before or after

14 you had your August 15, '01 injury? 15 We didn't know because it kept getting --

going into different phases. The bankruptcy 16 17 attorneys kept calling saying you should be

18 in business because you didn't have a

19 negative balance in your checking account. 20 You were doing well. I didn't have a

21 mortgage on the business. I didn't have any 22

loans out, and it was doing substantially 23 well. So the justification wasn't there. I

24 can't remember when.

25 And did the landlord tell you ahead of time

as of September '01? 3 2

We were renting at that point, so I don't

3 know if we had that or not. My wife would have handled it. I don't know.

5 Did you have renter's coverage, property 6

coverage? 7 I don't know. I was too busy handling the

8 bar. She handled that. I don't know what

she did or not.

10 Okay. So you get locked out. At the time

1.1 you're locked out, you're saying the property

12 that you're complaining about in this case

13 was in the Scuttlebutt's premises at that

14 time, right?

15 Α. Correct.

17

16 So what happened next? The sheriffs come and

they put the locks on the door. How was the

18 property lost? What happens next?

19 Well, we had to leave.

20 Right. ٥.

21 And then they went ahead and did their thing

22 into the night and whatever.

23 Right.

24 Contacted by Landolphi to call Harbor Realty

25 to set up a date to take all the equipment

Case 1:04-cv-12627-RCL — Document 24-3 out that I had repurchased back from the 2 bankruptcy. I set up a date, went in there, 3 and noticed that everything was trashed. We Δ took what we could take out. It was brought 5 up to the Parrot. My personal belongings 6 that were the majority of the stuff that I 7 held onto, we left at the top of the stairs. Я We had no more time. Everyone were tired and 9 exhausted from taking all the equipment. 10 I asked the girl representing Harbor Realty when I could come back. She said, "No 12 problem, Steve. Finish it. Just give me a 13 call. You can come back and take it at 14 another time." I said, "Okay. Fine." I 15 really didn't want to bring that to a 16 location that wasn't mine anyway, my personal 17 things. Q. And so when -- you say you set a date. What 18 19 was the date where you went in and took out a 20 lot of the stuff? 21 A month, month and a half after it was locked 22 up. I don't know exactly 23 ο. So sometime in October of '01? 24 Α. Somewhere around there. It may have been 25 September. I don't know exactly.

195 1 Yes. Α. 2 Just gave me the names you can remember. 3 David Lonegan, Russell Lewis, Tom Hancard. Norm Pelletier. Let me see. There was a 5 couple other people there. I don't know 6 whether -- those are the people that handled 7 the majority of the moving. 8 Okay. So you go with this group of people. 9 You take a lot of the property out. You 1 Ω leave some behind. And the reason you leave 11 it behind is because it's late and you're 12 tired. Did I get that right? 13 No, not at all. The reason why I left it is 14 because that was my personal items. And I 15 did not want to include my personal items 16 that were worth an awful lot of money that I 17 had over a good period of years, to bring 18 them to an undisclosed location where -- all kinds of tables and chairs in an unsecured 19 20 area where we were going to have to chance --21 you know, that was the way it was. 22 Q. 19 I said not yet to be determined because

there's about 15 people that helped out. 20

And you've already said that you talked to a

woman on behalf of the landlord who said

7 there would be no problem, "Give me a call

8 when you want to come back to get it." What

9 happened next after that?

10 I kept calling her and calling her. No

answer. I kept calling and calling. No

12 answer. Finally -- Kelly Landolphi

13 represented her also. And I said, "This

woman will not call me back. How am I going

15 to get in there?"

He says, "She knows how to get in touch with you." He says, "I represent her,

18 too. And she knows I represent you, Steve."

Come to find out -- I called and

called and called for over a month, left

21 messages at Harbor Realty and everywhere.

22 Didn't call me back. Finally, Kelly

23 Landolphi said, "Oh, she left Harbor Realty."

I said, "Well, can you get in touch

with her and tell her I want to get back in

Case 1:04-ev-12627-RCL Document 24-3 197 there to get my personal items." 2 He called me back, says, "She's 3 going to give you a call and she said, 'Oh, that stuff is gone. " 5 I said, "What do you mean, gone?" 6 He says, "The bank hired a cleaning company to go in there and they threw it all 8 awav." 9 I says, "No one in their right mind 10 would throw that stuff away. It was worth a 11 lot of money. That wasn't garbage at all." 12 And that's what the problem was. 13 Q. By the time you got this feedback through Mr. 14 Landolphi, when are we talking about now if 15 you had taken this stuff out in October of 16 1012 17 A. This was probably -- I called her every day, 18 two, three times, sometimes four times a day, even went -- drove down there. A month, 19 20 month and a half. 21 So by roughly November of '01, you learn that 22 all this personal property you had at 23 Scuttlebutt's is gone? 24 A. Correct. 25 Q. When did you tell Medallion that your

199 Exhibit 3, is that the property you're 2 talking about? 3 (Witness reviews document) Yes, it is. Q. And is there any property that you're talking about in Count III other than that one page on Exhibit 3? Α. 8 ο. And what did the other property consist of? 9 There was a whole bunch of things. I had --10 there's an addendum to that. 11 Q. Okay. We'll come back to that -- anything 12 else in a second. Now, whatever is on the 13 addendum is also your personal property, 14 right? 15 A. Right. 16 Q. Now, you recognized that the insurance that 17 you got through Medallion covered your 18 business -- at some point in time covered 19 your business property, right? 20 A. Correct. 21 Q. So you understand that your business property 22 coverage would not apply to your personal 23 property, correct? 24 My personal property is the business 25 property. That was the theme of all my bars.

198 personal property was gone? 2 I don't remember because I had called them to Δ. 3 find out how I could get this back and get coverage. And Jack says, "Well, no, you 5 can't." 6 I says, "Well, how about my 7 insurance company? Why don't I -- why don't Я you come in here, take care of it because I 9 had insurance for that. And then you go 10 after the other insurance company through the 11 bank or Harbor Realty that was responsibile." 12 So after going after Harbor Realty 13 and trying to get them to expedite the claim, 14 they gave me the runaround. Everybody else 15 gave me the runaround. And then when I 16 suggested to D'Addario that he submit it 17 under my policy and then go after those 18 people, that's when the communication 19 dropped. Do you have -- okay. Strike that. 20 21 In Count III in the complaint, we're 22 talking strictly about the personal property 23 that you own, though, right? 24 Α. Correct. 25 And the property -- when you look at ο.

200 That was the stuff that was on the walls at 2 all my other bars. These are the things that 3 made Scuttlebutt's and Cai's famous because of all the pictures and memorabilia that I had given to me by various athletes. Personal things as way of shoes and hats and stuff like that didn't apply to these things. These are all memorabilia and stuff that decorated the walls of the business that was 10 confined to that leased area that's 11 associated with my sports bar image and 12 business. 1.3 ٥. So the personal property that's reflected on 14 Exhibit 3 here, is that -- well, let me show 15 you two documents that are in Exhibit 2. We 16 got a handwritten list consisting of two 17 pages. 18 Right. 19 Take a look at that list. 20 Ά. (Witness reviews document) Uh-huh. 21 n. And is that your handwriting? 22 Α. Yes, it is. 23 ο. And on both pages? 24 Α. Yes. 25 And is that the remainder of the personal

Case 1:04-cv-12627-RCL -Document 24-3 property that you say was lost in late 2001? Yes. And now, since then, there's additional Α. 3 ones that I had thought of. There's all 4 kinds of video equipment and amps that I 5 forgot all about was on top of the walk-in, 6 so that hadn't been included. And I told Dean there was additional items that come to mind periodically and I'll write them down. 9 MR. CHAPMAN: Let me -- just for the 10 record here, let's mark the two handwritten 11 pages as 2C and 2D. 12 (Documents marked as Caiazzo 13 Exhibits 2C and 2D for 14 identification) 15 Q. Okay. Just so I'm clear for the record, when 16 we look at Exhibit 3 and Exhibit 2C and 2D, 17 which you've got in front of you right now, 18 fair to say that this is the entire 19 documentation that you've supplied so far 20 reflecting your personal property claim? 21 A. Correct, and in addition to that small little 22 list that I -- since we spoke that Dean has. 23 Okay. So you're saying you've given a list 24 of additional items that were lost in 25 November '01 beyond Exhibits 3, 2C and 2D?

203 1 you're here now and I don't have the list 2 now, so I can't ask you anything about it. 3 THE WITNESS: Okay. MR. CHAPMAN: As well as the stuff in the boxes down in Florida. Well, obviously, you know, another request to produce this and, again, we'll have to suspend. BY MR. CHAPMAN: 10 Okay. So when we look at the list in 11 Exhibit 3, this was a list written up by Phil 12 Castinetti, correct? 13 Yes. Α. 14 And is this in his handwriting as far as you ο. 15 know? 16 Yes, it is. 17 ο. And how do you know him? 18 Phil Castinetti has been to all of my bars. 19 He dealt with a lot of the memorabilia that 20 was either purchased there or given to me by 21 the players and friends for birthday, 22 whatever. So that's how he knows about it. 23 Now, when did Castinetti prepare this list? 24 A couple years ago. 25 ο. Before the November 3, '01 loss?

202 Correct. I know I have them at home. 2 don't know if I had submitted -- I thought I 3 faxed them to Dean; but if not, I have them at home. MR. CHAPMAN: Dean, is there 6 something you want to say? MR. CARNAHAN: I seem to recall I R have an additional list with -- have values 9 assigned to it. 10 MR. CHAPMAN: Is there any good 11 reason why since we have Mr. Caiazzo up here 12 from Florida that I don't have the list now? 13 Because I'm obviously going to have to 14 suspend this deposition because of the 15 absence of apparently a great deal of 16 relevant discoverable documents. 17 THE WITNESS: This was just the last 18 couple of days that I was sitting down in 19 preparation for this that I went over in 20 deciding what else was involved over there. There wasn't a delayed reaction two months 22 ago when this started. This is recent in 23 preparation for this going through the boxes. 24 T mean. 25 MR. CHAPMAN: Well, the problem is

         Before?
 2
     Q.
         Or after?
 3
     Α.
         After.
         Okay. Well, if he prepared the list after
         the loss and the stuff was gone when the time
         he prepared the list, how would be know what
         values to ascribe to the items on this list?
         Because I submitted to him what was taken.
 8
 q
         He knew by coming to all my bars what was on
10
         the wall. That is his business on how he
11
         deals and assesses what the paraphernalia and
12
         all the other stuff is worth. And since
1.3
         then, it's increased. So he looks at a
1.4
         Lyndon Byers signed photograph, he knows
15
         instantly what it costs because he sells them
16
         all the time. He looks at a hockey stick.
17
         He looks at all these things. That's his
18
19
         Well, doesn't the value of any one of these
20
         items depend on what kind of condition it's
21
         in?
22
         Absolutely.
23
         So he never had an opportunity to see the
         condition of any of this stuff, did he?
24
25
     A.
         Oh, absolutely.
```

Case 1:04-cv-12627-RCL Document 24-3 When was the last time Castinetti saw any of 2 this stuff on this list before this list was 3 generated? 4 A. He saw it on my walls. Many times, he was up at Scuttlebutt's. In addition to that, 5 6 everything was secured on the walls covered by plastic. This wasn't stuff that was just thrown up against the wall, you know, with an 9 elastic band stuck up on a screw up there. 10 These things are worth a lot of money. And they were screwed in and done professionally 12 by carpenters that secure these things all 13 the time. So he was well aware of it. We 14 didn't put junk on any of my walls. We 15 didn't put things that were ripped or torn 16 down or in bad, scratched-up material. This 17 was all top quality stuff that was 18 hand-delivered to me, given to me as gifts 19 and that I accumulated over the years. 20 Q. If this is special -- in essence, special 21 purpose, special value property, do you know 22 whether or not even if it did qualify as 23 business property, whether in order to be covered, it would have had to have been 24 25 scheduled?

A. Yes, it is. 8 Q. Now, do you recall that at that time they 9 were proposing to write the package -- and do 10 you understand that the package refers to 11 your property and general liability coverage? A. The package for which I dealt with John 12 13 D'Addario? 14 Q. Right. 15 A. The package included all the complements of 16 my insurance. That's what the package means. 17 Q. Well, that's not -- you can tell from the 18 letter that that's not the reference here. 19 though, correct? A. No, I don't believe so. Because if you go to 20 21 the next page, it clearly shows what we were 22 looking for: The business personal property 23 for \$150,000; the loss of earnings for 24 \$120,000; the awnings for which I argued for 25 \$2,000; and then there's a deductible for

That to me is clearly the liquor liability aside from the package which includes everything that I iust said. 7 Exactly. I agree with everything you just 8 said. 9 Α. Okav. 10 Now, you recall that the premium -- combined 11 premium for the package and liquor policies 12 as he had originally quoted and proposed it was \$17,193? 13 1.4 Correct. Α. 15 Do you see that? 16 Correct. 17 It says it on the proposal itself, and it 18 says it on the cover letter. See? 19 А. Yes. 20 Q. And in addition, the worker's comp premium 21 was going to be \$2.564? 22 Α. Correct. 23 Q. And then he told you how he was going to need 24 to get payment from you to effectuate all 25 those different coverages, right?

Filed 03/03/2006 210 \$1,000; and it goes down to the 2 comprehension, correct? 3 Right. Let me -- if we look at his cover letter here, right, he's referring to a 5 rewrite of the package and liquor policies; and then he makes a reference further down below to workers comp, correct? Do you see that? 9 Right. Α. 10 So he's referring to the package as something 11 in addition to the liquor and the workers' 12 comp, right? 1.3 A. I again refer to the second page, third page, 14 it says "Package Policy" at the top. 15 0. Right. 16 And under it, it says, "Effective 1/10/2001 17 through 01/10/2002," and that includes 18 coverage for personal property, loss of 19 earnings, deck addition, awning deductible. 20 Then it goes down to all risk, flood and 21 earthquake, and it lists that under medical 22 and fire. It goes to the next page, liquor 23 liability which is separate from package 24 policy --25 Right. 0.

212 2 Now, isn't it fair to say that these 3 coverages as outlined in this proposal were 4 not effectuated at that time and with these features? 6 No, that's incorrect. We removed -- we 7 lowered because that was I think a little 8 higher than what I wanted to pay at that 9 point. We reduced the liquor liability from 10 \$1 million to \$500,000, if I'm not mistaken. 11 And he can correct me or you can if I'm 12 wrong. And we worked it down to I think 1 3 \$15,000. And I'm pretty much on line with 14 that. So that includes my earnings which is 15 here, that includes the business personal 16 property which I'm looking for, the awning, 17 and everything else was disputed. 18 Okay. So if I understand your last answer, 19 you got Exhibit 12, you talked about it with 20 D'Addario, and you said in essence, "We need 21 to try to reduce this"? 22 Correct. 23 Okay. And it was reduced and later 24 effectuated, correct? 25 Α. Correct.

2		reductions aside from reducing the liability

4		reduced the premium by eliminating the

6	A.	The only thing that I remember eliminating
7		was the business interruption which was very

4	Q.	Well, the reason I'm showing this to you is	
5		this is a quote that you got on January 9,	
6		'01 for that particular policy in connection	
7		with Exhibit 12, correct? I mean this was	
8		the quote for the policy referenced in the

11	A.	I don't remember seeing this. But this	
12		obviously has to do with Scuttlebutt's. So	
13		at one point, yes, this had to have been part	
14		of	
15	Q.	Okay. And you see that the premium	
16		referenced on the quote, Exhibit 13, matches	
17		up with the premium on the financing	
18		agreement that's stated in here. When you	
19		total all these up, you come down to the	
20		\$19,757 number. Do you see that on	
21		Exhibit 12?	
22	Α.	I see that.	
23	Q.	Okay. So in other words, this quote,	
24		Exhibit 13, reflects coverage that you did	
25		not purchase because as you said previously	
		-	

- 2 No, that's incorrect. It says Lloyd's of
- 3 London package which included my loss of
 - income and the business products and
- 5 everything to be \$7,450 which clearly
- 6 includes what this quote says under the
- Lloyd's of London.

14

19

- 8 Right. But this is the one --
- A. The Lloyd's of London package which you just g
- 10 said did not happen because it was separate
- 11 from the liquor liability is not true because
- 12 that hits it exactly what you just said.
- 13 That's the exact package associated with
 - Lloyd's of London which includes the package
- 1.5 here. Here's the heading: "Package Policy."
- 16 There's all the earnings. The only item I
- 17 eliminated and whether it was in this policy
- 18 or the previous one was the business
 - interruption. This has nothing -- this is
- 20 loss of income.
- 21 ο. Business interruption is referred to as loss
- 22 of earnings, correct?
- 23 No, no. Loss of earnings is my personal loss
- 24 of earnings. Business interruption says
- 25 business interruption. That would be

but yet it is. There it is right there. The 2 exact same number matches it. It's a

- 3 package.
- We're missing each other right now. We've ο.
- 5 already -- you've already testified that the
 - policies reflected on Exhibit 12 that were
- totaled out to a premium of \$19,757 --
- 8 A. Correct.
- Q. And I'm going to represent to you, okay, that 9
- 10 the \$19,757 on Exhibit 12 includes the
- 11 premium referenced on Exhibit 13. I'm just
- 12 telling you that.
- 13 Okay. But that's irrelevant from what the
- 14 package shows.
- 15 Q. But my point is we've already established
 - that you elected not to go with the proposal
- 17 that resulted in a \$19,757 premium. That's
- 18 all I'm saving.
- 19 But the quote on your page which is the quote

- 20 which was my insurance clearly shows my loss

3 This is earnings, my personal earnings, you

11 And it's clearly under the package. It says

it right there in both of them.

13 0 Well, in any event, let me ask it this way:

14 Α. Excuse me. Am I seeing that's not here? Is

that what you're trying to say? I don't 16 understand. This clearly shows my coverage

Now, what I want to show you next is another

Take a look at the quotation we've marked as

Well, I'll just suggest to you -- do you see 9

10 a fax date of March of '01 at the top

11 left-hand corner?

12 Yes, March 10, 2001.

13 Now, do you remember receiving a quotation

14 for your coverage in March of '01?

15 Α. Yes.

16 And do you understand that you did not have

17 insurance on the business between January,

18 February up until March of '01?

19 No. I had insurance. I saw I have the

20 paperwork that clearly shows the coverage --

21 the renewal coverage from January, then March

22 until March of 2002.

23 And the insurance for that period for that

year was financed, correct?

25 Α. Yes, it was.

227 I don't see that. 2 I will show you what I'm talking about. When 3 you put Exhibit 14 side by side with the premium finance agreement, Exhibit 15, which is -- now, Exhibit 14 is the quotation, four-year package policy. You see that this quotation, Exhibit 14, does not include property coverage, correct? And if you want, 9 compare that quote to the quote in 10 Exhibit 13. There's the \$4,000. That's \$4,000 that's listed there. The date, that's January. 12 13 These are both the same. 14 Let me ask you about that. Isn't it fair to 15 say that Medallion quoted it for you two 16 different ways in January? They quoted it 17 for you with property coverage and without 18 property coverage, right? 19 That I don't remember. But I'm looking at it A. 20 21 ο. Okay. Let's look at it now. We've got 22 Exhibit 13 and Exhibit 14 side by side, 23 right? 24 Correct. 25 One of those quotes is for a policy that

226 is which? Okay. The premium for the package policy was going to be \$3,000 plus a \$205 tax 3 or fee, correct? Do you see that? 4 Α. 5 0. And the package -- the premium for the liquor 6 liability policy was going to be \$4,000 plus a tax or fee, correct? 8 Correct g, And the premium for the workers' comp was 10 going to be \$1,826, correct? 11 Α. Correct. 12 ο. And you add all those up and you come out 13 with a total finance amount of \$9,191, 14 correct? 15 Right. Α. 16 ο. Okay. So when we compare Exhibit 12 from 17 January '01 to Exhibit 15 of March '01, by 18 reducing coverages, you reduced your premium 19 on the policy that went into effect in March 20 of '01 by over \$10,000, correct? 21 Correct. 22 0. And isn't it fair to say that one of the 23 reductions in coverage you made on the 24 package policy was to delete the business 25 property coverage?

228 1 includes property coverage; one is for a 2 policy that does not include property 3 coverage, correct? No, because here's the \$7.833. Α. Right. And that's Exhibit 13? And that includes all this. Right. And that includes -- you see the reference to property coverage on Exhibit 13, 9 right? 10 Okay. \$7,833 plus this is the \$9,000. 11 No, no, no. Exhibit 14 is a quote for the 12 same policy but without property coverage, 13 correct? 14 Where is it? Α. 15 When we look at Exhibit 13, the first thing 16 quoted is your content, your business income, 17 your awning, and your deck. You see that? 18 Okay. And how much is that? 19 The coverage limit is to the right. 20 Okay. But it says \$500 deductible. 21 Then it drops down to give you coverage 22 limits for your general liability and so 23 forth, right? So you see that in Exhibit 13. 24 Exhibit 14 starts off with the commercial general liability which is the second item 25

Document 24-3 Case 1:04-cv-12627-RCL down on Exhibit 13. So you can see, correct, that Exhibit 14 is a quote for liability coverage but without the property coverage that you see in Exhibit 13? Correct? I don't see that because it lists identically the same coverage on both sheets. Q. It lists the same coverage on both sheets for liability. It doesn't list any coverage for property, does it? 10 The check -- where is the coverage for the 11 check that was sent over? How much was that? 12 It's right here. How much was the check? 13 \$4,900? Well, there's the difference right 14 there. There's the difference that I paid. 15 So that's \$6,000 and I carried over -- here's 16 the figure right there. \$6,000 removes this, 17 what you're looking at. Without this \$6,000, 18 this would have been -- you're correct --19 completely different from this one. But it 20 wasn't because that \$6,700 reduced the total 21 number that you're looking at trying to say 22 that the total package was reduced by X 23 amount. So the \$6,900 reduced everything 24 substantially and now put me in the same 25 category as this original quote.

10		we can try to	
11	A.	It's not there because	
12		MR. CHAPMAN: Are you still with us,	
13		Dean?	
14		MR. CARNAHAN: Yes.	
15	A.	\$6,900 was paid. Okay. My monthly	
16		payments I believe were \$700, \$600, something	
17		like that. That comes to much greater than	
18		the figure you're saying that happened. Add	
19		the two of them together and then my	
20		monthlies.	
21	Q.	We've already added together what we need to	
22		add together. This is my point. And, you

         Okay. Next question: You see here -- you
2
         see in Exhibit 15, when you look at the
 3
         premium finance agreement that you signed,
         you would agree with me that you wound up
         taking the coverage reflected in Exhibit 14
         because you can match up the premium amount
         on the package policy. I'm representing to
         you that the top policy referenced in the
         premium financing agreement is for the
10
         package policy. It says, "Liability." Okay?
11
         Right.
12
         And you can match up the premium amounts.
13
         \$3,000 for the premium for liability and \$205
14
         for the taxes and fees?
15
16
         So you agree with everything I've said so far
17
         on that issue?
    A. That includes the income.
18
19
         We're not talking about that.
20
         Okay. But it does include the income.
21
         I'm not asking any questions about income.
22
         I'm asking you questions about property
23
         coverage right now.
24
    A. I don't see the property being omitted
25
         because I see the transfer of the same amount
```

of money on this quote sheet, the second page

- 2 from Jean D'Addario, that carries the package
- 3 coverage that did not reduce this the way the
- liquor liability did. So the package gets
- 5 transferred identically with a reduction of
 - the liquor liability with more money down.
- And if you look at it and see how
- much I paid a month, which I included and
- times 12 months, add the \$6,900, and you'll
- 10 see that it's much greater than the figure 11
 - that you're showing.
- 12 Q. On Page 2 of the premium finance agreement
- 13 that's part of Exhibit 15 -- and just for the
- 14 record, it's a page entitled "Further
- 15 Provisions of the Premium Finance
- 16 Agreement" -- are those your initials at the
- 17 bottom of the page?
- 18 A. (Witness reviews document) No. No, those
- 19 are not. That's my signature.
- 20 ο. Right.
- 21 But I don't -- that isn't my initials. I A.
- 22 initial it SDC. I do not initial that.
- 23 That's not my signature. My other one is;
 - the initials aren't.

- Now, did you receive -- you received this

- 6 it went into effect, correct?
- 7 Well, that's not a policy.
- 8 The first page is a certificate of insurance.
- You know what that is, right?
- 10 Right. It's a declaration, but that's not
- 11 the policy.
- Well, maybe you're saying that because you 12

- 10 I'm sorry.
- 11 Hold on. The question is -- take a look at

- 14 Yes.
- 15 ٥. Okay. What is it?
- 16 This is just the declaration page. Α.
- 17 ٥. For what?
- 18 For Lloyd's of London. Α.
- 19 Okay. Which policy?
- It says for the general liability. 20
- 21 Right. And this is a -- what you've got in

- 23 through Medallion, correct?
- 24
- 25 And this is the general liability policy that

5 Okay. All right. Now, did you get this

policy and did you get this certificate of

- Yes.

6

16

- 9 And when you got it, did you look it over?
- 10 Did vou read it?
- 11 For the most part, yes.
- 12 And then you put it in your file cabinet at
- 13 Scuttlebutt's, correct?
- 14 Correct. Α.
- 15 Now, you can see then and you can see now
 - that the only coverage you had purchased was
- 17 liability coverage, correct? And you had not
- 18 purchased property coverage, correct?
- 19 Under this policy, yes, the general
- 20 liability.
- 21 Right. Now, once the policy in Exhibit 16
- 22 went into effect, fair to say there were
- 23 times when the policy was canceled for
- 24 nonpayment, correct?
- 25 Α. No.

         remember getting that in April of '01?
        Date of notice 4/26. So date of notice 4/26
         and effective date of cancelation 4/27.
        My question is simply do you remember getting
         that notice of cancellation?
 6
    A. I'm looking. It says it's going to be
         canceled on 4/27. Yes.
     Q. Okay. So you remember getting this in April
 9
         of '01, correct?
10
11
    Q. Okay. So your insurance -- now that you've
12
         seen this and -- well, strike that. Let me
13
        back up.
                 At that time, fair to say the

15
16
         Jenna's Pub, Inc., was 73 Lafayette Street,
17
         Salem, Mass. 01970? Right?
18
    A. Correct.
19
     Q. And you know, now that you've seen
20
         Exhibit 19, that your insurance for
21
         Scuttlebutt's was canceled, correct?
22
    A. I never received a notice of cancelation
23
         where this was not paid. The date on here is
         April 15th. Cancelation over here was 4/27.
24
25
    Q. I think the date on the check that you wrote

2		isn't it?	
3	A.	(Witness reviews document) Okay. Yes. So

6		May, June. That wouldn't	
7	Q.	Well, isn't it because that you received	
8		Exhibit 19, the notice of cancelation, in	
9		April and didn't do anything about it until	
10		June 15th?	
11	A.	That's not correct at all.

14		THE WITNESS: I think the

A. Well, he looked at the pictures on the wall, 6 and most of them were rookies that only

7 played maybe one year with them. And they

8 weren't as well known, but they were still 9 on the wall. So he put down lesser name

10 players and then just said, you know, they

11 are not the Cam Neely, Lyndon Byers, Gerry

12 Cheevers and so on and so forth. These are

13 players over the three bars that came in

14 that didn't necessarily spend a whole lot of

time with the Bruins, but they signed a 15

16 picture and put it on the wall.

17 Q. What's the next one listed here?

18 A. Robert Urich.

19 Q. Another signed 8 by 10 photo?

20 A. Correct.

21 Q. Also secured in a frame on the wall?

22 A. Yes.

O. Excellent condition? 23

A. Yes.

 $\{\cdot\}$

Q. When did you get that?

A. I got that in the late '80s.

7 Q. And signed by him?

8 A. Yes.

9 Q. For \$200?

10 A. Yes.

11 Q. How did you get it?

12 A. A friend of mine was in the movie with him

13 "Over the Top", that arm wrestling movie,

14 and he had a picture with Stallone so he

15 sent it to me.

Q. And did you have that also in a wood frame 16

17 on the wall?

18 A. Yes, I did.

Q. And then you have a large Bruins photo that 19

20 had Neely, Byers, et cetera?

21 A. Yes.

23 A. Yes.

- Q. And those were all mounted? 18
- A. Yes. 19
- Q. Were they still mounted when you closed? 20
- 21 A. We took the TVs off the stands. They were
- hanging by the long rods, you know, into the 22
- ceiling, yes. We took the TVs off of those. 23
- Q. You put them with the rest of the stuff?

- Q. You say "he," but your attorney was a woman.
 - So who are you referring to?
 - 3 A. No. That wasn't a woman that I'm talking
 - about. She was the bankruptcy attorney for
 - the corporation. My attorney at the time 5
 - 6 was Kelley Landolphi that represented me in 7
 - Scuttlebutts during this lease procedure.
 - 8 Q. Who did Carol Bankowski represent?
 - 9 A. The corporation during bankruptcy.
 - Q. The corporation meaning Jenna's Pub, Inc.? 10
 - A. Correct.
 - Q. And so it was Kelley Landolphi that called 12
 - you and said that the judge had changed it 13
 - 14 from Chapter 11 to Chapter 7 and that the
 - 15 sheriffs were coming to close the place
 - 16 down?
 - A. Yes. He says, you know, they are going to 17
 - be there shortly, and so you might as well 18
 - start taking things down off the wall. 19
 - 20 Q. Okay. Did he tell you that you were 21 supposed to remove your property from the
 - 22 premises?
 - A. No. He just said your personal items --23
 - you're allowed to take your personal items 24

- A. Correct. 1
- Q. There was six TVs sitting there with all of this other stuff? 3
- A. There could have been five or four. I don't 4
- 5 know what we did. We tried to place as many
- 6 things as we could in people's cars or
- trucks. We put them in like three different 7
- locations. You know what I mean? I don't 8
- -- there may not have been six TVs. I know 9
- we didn't fit the Sony big screen because 10
- 11 that was clearly right at the top on the
- 12 stage. I know there was at least three TVs,
- 13 maybe four. And I don't know where the
- 14 other ones went.
- 15 Q. So as I understand it, at the time of the
- judge's ruling in the bankruptcy court, you 16
- 17 received a call from -- was it your attorney
- that told you of the ruling? 18
- A. Correct. 19
- Q. And then did your attorney tell you to go 20
- remove the property from the premises? 21
- 22 A. No. He just said, start taking down your
- personal items, getting the things off the 23
- 24 wall.

- 1 and that Harbor Realty would be in contact 2 with me.
- 3 Q. What did you understand that to be, your
- personal items? 4
- A. My personal items? 5
- 6 Q. Yes.

- 7 A. There's four sheets of paper of my personal
- 8 items that we just went over. Those are the
 - ones I'm talking about.
- Q. So when he told you to remove your personal 10
- items, you understood that to be all of the 11
- 12 various items that we have already gone over
- 13 today including all of the sports
- 14 memorabilia?
- 15 A. Yes.
- Q. Okay. And there was some additional 16
- 17 personal items of yours that you were able
- to remove from the property? 18
- A. Correct. 19
- Q. You took what you could fit? 20
- 21 A. Yes.
- 22 Q. And then when the sheriffs came, you didn't
- 23 have any additional time to remove any of
- 24 the other personal property?

1 Q. And you were a defendant in that case? 2 A. Yes. 3 Q. This had something to do with Donna's Pub? 4 A. What was the name on that again? 5 Q. Clifford vs. Caiazzo. 6 A. Yes. 7 Q. Was this a personal injury claim that 8 happened at the pub? 9 A. No. 10 Q. What was this? 11 A. Mr. Clifford was owed \$5,000 that he wanted 12 to be a partner. He was a friend of my 13 brothers. And I wouldn't allow him in. And 14 as a result, he split, and my brother and I 15 had a little beef over this, and he sent 16 Mr. Clifford packing. And then he filed a 17 lawsuit, wanted to settle for the money, and 18 I told him in no uncertain terms what he 19 could do with it. And another judge sitting 20 over there awarded him I don't know. It 21 was \$6,000 or something like that. 22 Q. Was it \$13,693.56? 23 A. Yes.	Q. Was this the one involving the landlord? A. No. We were building Scuttlebutts. This kid came up to me and wanted to buy my bar. Q. AJ Freddy? A. And offered \$190,000 to purchase it. He gave me \$20,000 down. We drew up a purchase and sale. He neglected to show up on six consecutive occasions that we had settled for \$50,000, another \$50,000, and I was going to take back the rest of the paper. When he didn't show up, it was null and void. Q. Okay. A. He turned around and went to the landlord, and the landlord tried to sell it back to him. And this was where we filed suit against what is it called? Combined Properties. Combined Properties made an offer to settle, and I told him it couldn't be worth much more than what he was offering. Kelley Landolphi went in and represented it and screwed the whole thing up and told me not to show up.

He had lent my brother money in the bar and wanted to get too close to everything. You know what I mean? If you know who he is, you would see why. You get in the bar business, and you run into all kinds of	 A. Yes. Q. Then there was a judgment against the defendants for \$42,125? A. Supposedly. Q. And then with interest it was \$75,566? A. Yes. I didn't hear too much of that because I wasn't allowed anywhere near the courtroom. Q. Okay.
